remunerative line to handle by "Retail Druggists."

While the sale may be slow the first two months, owing
to the greater price charged for it, yet in time it actually
becomes a "leader" because of its merits.

Druggists all over the United States and in England
are finding it a splendid medicine to handle, one of which
no complaints are made against by the purchaser.

It really draws trade to one who handles it, especially
where we give exclusive agencies for it.

It is a remedy which can be guaranteed by the "seller"
to do all we claim for it.

We want an exclusive Agent in every
town in Canada.
