

Section 21. The Agency may, with the agreement of both Governments, suspend safeguards on nuclear material under the conditions specified in paragraphs 24 and 25 of the Safeguards Document.

Section 22. Nuclear material which is exempted from safeguards pursuant to Section 20 and nuclear material on which safeguards have been suspended pursuant to Section 21 shall be deleted from the Main Part of the Inventory and shall be listed in the Inactive Part of the Inventory.

## PART IX

### TERMINATION OF SAFEGUARDS

Section 23. The safeguards applied pursuant to this Agreement shall be terminated by the Agency under the following conditions:

- (a) On nuclear material, material, equipment or facilities, upon transfer in accordance with Section 18 or upon return to the State from which the item in question was originally supplied;
- (b) On nuclear material under the conditions specified in paragraph 26(c) and paragraph 27 of the Safeguards Document;
- (c) On material, equipment and facilities as and when the Agency determines that the item in question has been consumed, is no longer usable for any nuclear activity from the point of view of safeguards or has become practicably irrecoverable.

Section 24. Upon the termination of safeguards on any nuclear material, material, equipment or facility pursuant to Section 23, the item in question shall be deleted from the Inventory. The Agency shall, within thirty days of deleting the listing of an item from the Inventory pursuant to Section 23(a) inform both Governments that such a deletion has been made.

## PART X

### AGENCY INSPECTORS

Section 25. The provisions of paragraphs 1 to 10 and 12 to 14, inclusive, of the Inspectors Document shall apply to Agency inspectors performing functions pursuant to this Agreement. However, paragraph 4 of the Inspectors Document shall not apply with regard to any facility or to nuclear material to which the Agency has access at all times. The actual procedures to implement paragraph 50 of the Safeguards Document shall be agreed before the facility or the nuclear material is listed in the Inventory.

Section 26. The relevant provisions of the Agreement on the Privileges and Immunities of the Agency shall apply to the Agency, its inspectors and to any property of the Agency used by them in performing their functions under this Agreement.

## PART XI

### PHYSICAL PROTECTION

Section 27. Each Government shall take all the measures necessary for the physical protection of nuclear material, material, equipment and facilities required to be listed in its Inventory, shall be guided by the recommendations of the Agency with regard to such measures and shall at a minimum meet the levels of physical protection which are set out in Appendix C to this Agreement. The Parties shall consult from time to time regarding physical protection.
