

recommended by the FAO and may provide that a specified level of commercial imports of wheat, agreed with the recipient country, be maintained on a global basis by that country. In establishing or adjusting this level full regard shall be had to the commercial import levels in a representative period and to the economic circumstances of the recipient country, including, in particular, its balance-of-payments situation.

(3) Members, when engaging in concessional export transactions, shall consult with exporting members whose commercial sales might be affected by such transactions, to the maximum possible extent before such arrangements are concluded with recipient countries.

(4) The Executive Committee shall furnish an annual report to the Council on developments in concessional transactions in wheat.
