The purpose of this petition is to indicate as clearly and as forcefully as they can to the federal Government that there exists a crisis of confidence in the Government of Canada, that this must be remedied as quickly as possible and that this might be best done by calling a federal general election immediately.

Therefore, we the undersigned, your petitioners humbly pray and call upon Parliament to take whatever action may be necessary to restore confidence in the Government of Canada. And, as in duty bound, your petitioners will ever pray.

MR. PARKER—SALE OF HOUSES IN B.C. NATIONAL PARK

Mr. Sid Parker (Kootenay East-Revelstoke): Mr. Speaker, it is indeed an honour for me to present a petition to the honourable House of Commons of Canada, in Parliament assembled. In the petition the undersigned residents of Canada now exercise their right to present a grievance and humbly sheweth that the residents of Field, B.C., are faced with restrictions on the sale of their homes within the national park that make it virtually impossible for sales to take place. This is creating hard ship for residents, especially senior citizens, for widows of park employees, for workers transferred to other areas and for people forced to move because of health reasons.

We, the undersigned petitioners, call upon the federal Government of Canada to expand the rules to allow residents from the adjacent park and Lake Louise to purchase homes in Field, British Columbia. Failing this, we petition the Government of Canada to purchase the buildings at the appraised value, and as in duty bound your petitioners will ever pray.

CALL FOR GENERAL ELECTION

Mr. Albert Cooper (Peace River): Mr. Speaker, to point out just how people across Canada have come to view this Government, I have a number of petitions from the Province of Quebec. Although I cannot read the title with any great clarity because it is in French, I know the English translation. They call upon the Government of Canada to resign and to call a federal general election because they, like the rest of Canadians, are fed up with this Government.

Mr. Lee Clark (Brandon-Souris): Mr. Speaker, I have the duty and the honour to present a petition on behalf of a number of citizens of western Canada who wish to avail themselves of their ancient and undoubted right to present to this House a grievance of concern to them, in the assurance that this honourable House will therefor provide a remedy.
