

11 years ago, & I have neither seen him or heard
from him in that time. I have had to work
very hard in that time but am hoping that is
all over now, for I have one daughter working
& we ^{as have} depended on her for support for 2 years. I
would like to help a little by selling stamps,
my health is improving, & I want to do my part.

My son is almost an invalid, so is unable
to do any work, & we are four, so it keeps me
busying trying to make £60 do the work of £100.

Please do not mind me asking you, I
am English & so proud of it, so you will
know that I am not begging, but asking
for what might not be needed, by others.

Any stamps will be most welcome, Jubilee,
Foreign & British, Postage, due, & Customs duty.
Any kind at all.

Thanking you & all, in anticipation
Yours very sincerely

(Mrs) R. Woodgate
