CATTLE MARKET ABOUT STEADY

Hogs and Calves Unchanged—Sheep and Lambs Were Firmer.

Receipts of live stock at the Union Yards were 51 cars, 503 cattle, 1744 hogs, 135 sheep and lambs, 83 calves, and 19 horses.

Trade in cattle is in an unsatisfactory condition, caused in no small way by the marketing of too many half finished animals, that ought to have been kept in the farmers' stables for at least two months longer. Drovers are paying too high prices for this class. Another unsatisfactory condition that has developed is the shipping of cattle on Saturday.

Some of the cattle that came in on Sunday last were on the market all week and this should not be, as they should be a clearance each day. It would be better for drovers to bring a smaller number that are finished, which we think would make things go more satisfactorily.

Trade yesterday was a repetition of Wednesday as regards fat cattle, prices being no better, unless it was for about half a dozen that sold up to \$3.75. It being Thursday drovers were cashing in many lots that had been on the market for a couple of days.
