James Palmer Attends Stonecutters' Picnic, Loses Way Coming Home -Struck by Train, is Killed.

Toronto Junction, Aug. 20 .- The body of James Palmer, stonecutter, 51 1-2 St. David-street, Toronto, was found lying in the ditch at the C.P.R. crossing on Dundas-street, Lambton Mills, this morning. The dead man's skull was fractured and his right arm was broken in two places. It was quite evident that he had been struck by a passing train, probably the 8.35 p.m. C.P.R. express from the west. Dr. Emerson Bull examined the body and had it removed to Cummings & Co.'s undertaking rooms at Toronto Junction. A paper found in the dead man's pocket led to his identification. It appears he attended the annual picnic given by the Stonecutters' Union at Lambton Mills yester day afternoon, and in starting for the any afternoon, and in starting for the street car to go home in the evening he took the road leading to Islington, in stead of that leading to Toronto Junc tion, and reached the C.P.R. crossing just as the train came along. He leaves a widow and three children. Dr. Bull, ccroner, did not deem an inquest ne cessary. The funeral will take place to Mount Pleasant Cemetery on Tues
