Propose Mural Decorations for Parliament Buildings, Additions to Which Are to Be Made.

Much to their gratification, a deputation representing the Toronto Guild of Civic Art found Premier Whitney more than driendly yesterday when they pleaded for the artistic adornment of the parliament buildings by a series of large mural paintings for the walls of the main corridors and staircases. The premier assured his hearers that the government would be sympathetic towards this scheme. He added that before long the government would soon be contronted with the necessity of carrying out extensive additions to these buildings, either by the extension of the wings or by the provision of another storey.
