WOMEN AND HISTORY.

Mrs. Edgar Elected President of the Women's Canadian Historical Society—Mrs. Curzon's Services Recognized.

The various reasons given yesterday at the third annual meeting of the Women's Canadian Historical Society of Toronto for wishing to change the day of monthly meetings from Saturday to some other day caused considerable merriment among the ladies. The objection to Saturday was that young married women liked to be able to devote the afternoon of that day to their husbands, whose holiday it was. One member told of an acquaintance of hers who had promised, along with the marriage vows, to give such afternoons to her worthy spouse, and, though she was now an elderly lady with grown-up children, had kept her contract. Others wished to reserve Saturday afternoons for teas, maidnees, university lectures, etc.

All of these were good and honorable reasons, but the one which probably carried most weight was the secretary's statement regarding reporters of the daily press. For-merly she had been obliged to stay at home from church on Sunday mornings, she said, to write reports promised to the hard-working news-gatherers, who had begged her to consider that Saturday afternoon was their Sunday. The weight of opinion favored the change, so Thursday was chosen for the future date of meeting.

Mrs. Forsyth Grant, officio president, in the absence of Mrs. Curzon, conducted the afternoon's business, which consisted chiefly of the secretary's resume of the year's work, and the election of officers.

Mrs. Curzon was made an honorary life member by a standing vote, in recognition of so valuable services rendered to the society. She is at present in Glencairn, on the Blackfoot Reserve, N.W.T., living with her married daughter, where she will remain several months more.

An open meeting will be held by the society next month, to which their Excellencies the Governor-General and Countess of Aberdeen will be invited.

A Brooklyn gentleman writing to the Toronto Society asked for information, among other things, about where and when salmon had been found in this region. The secretary stated that their former inhabiting of the Humber River was on record.

The treasurer's statement, read by Miss Merritt, showed the munificent balance of 9 cents in the treasury.

Election of Officers.

The following officers were elected for the ensuing year: President, Mrs. Edgar; vice-presidents, Mrs. Forsyth Grant and Mrs. James Bain; secretary, Miss Fitzgibbon; treasurer, Miss Farmer. Executive Committee, Mrs. Cummings, Mrs. Lee-Miss Mickle, Mrs. Morrison, Miss Beard and Mrs. Walton.

Mrs. Bain, Mrs. Morrison, Miss Cox, Miss Bellerby and Miss Fitzgibbon were appointed delegates to the National Council of Women.

A LOVER'S QUARREL.

Edward Fink Had a "Spat" With Minnie Peterson and Suicided Before Her.

Chicago, Nov. 16.—Edward Fink, 20 years old, waved at his sweetheart a hand containing a bottle of carbolic acid. "Hurrah, I'm off!" he shouted, and drained the contents. Fink stood opposite the home of Miss Minnie Peterson. She sat by the window watching her youthful lover, with whom she had quarreled. She saw him raise the bottle to his lips and heard his adieu. She saw him swallow the poison and fall to the ground. Then she rushed across the street and knelt by his side until an ambulance came. Fink died an hour afterwards. The trouble started in a lovers' quarrel Saturday night at a party.

The Provincial Trust Company.

A meeting of the Provincial Trust Company of Ontario was held yesterday at their temporary offices in the McKinnon Building. The following officers were elected: Sir Richard Cartwright, president; S F McKinnon, first vice-president; James Scott, second vice-president; directors, Hon G Sterling Ryerson (M.L.A.), Henry Sutherland, Rev Donald C Hossack, Alexander Fraser (contractor), R Millichamp, John R Barber, John McLaren (Brockville), Sheriff Widdifield, Robert Beith (M.P., Bowmanville), H K Egan (vice-president Hawkesbury Milling Company, Ottawa), D B McLennan (Q.C., Cornwall), Dr J Orlando Orr. The manager of the company will be appointed during the present week.

Lovat Peerage Case Dismissed.

Edinburgh, Nov. 16.—The Court of Session to-day delivered judgment, dismissing the action of the pursuer in the famous Lovat peerage case, in which John Fraser claimed the peerage and £120,000 from the holder of the title for intromissions since he succeeded to the title.

Twelve Were Rescued.

Halifax, Nov. 16.—The United States schooner J. W. Collins, Capt. Serrars, arrived at Liverpool, N.S., to-day with Capt. Johnson and 11 of the crew of the schooner Carrie C. Lane, which went to the bottom 15 minutes after the men on board were rescued by the Collins. The disaster happened on the Lahave fishing bank last Friday. The crew of the Lane were rescued with great difficulty and with considerable peril to the rescuers.

Chatham Annexationists.

The city of Chatham has its waterworks located in the Township of Chatham, and the former yesterday asked the Ontario Government for authority to annex the territory, including the said waterworks.

PUBLIC AMUSEMENTS.

A Good Production.

It is many a long day since Toronto has had such a high-class melodramatic production as "A Guilty Mother," which is being given at the Toronto Opera House this week. The play is not one of the many which depends on a number of sensational climaxes thrown in for the purpose of making the purpose of making the gallery howl, ing the gallery howl. "A Guilty Mother" is a simple, plain, interesting story, told by a playwright of brains and education.

To morrow's Grand Concerts.

Apropos to the two concerts in Massey Hall to-morrow, it may be said that Brooke and his famous Chicago Marine Band have won a position where there can be no question of their superiority over all other organizations of this kind in America. Especially in providing popular music, Brooke has distinguished himself and become known all over the continent as the cleverest exponent in this line. The plan for reserved seats is now open. The prices for the matinee will be 25c, 50c, 75c; and for the evening, 25c, 50c, 75c and $1. Miss Sibyl Sammis, the soprano, will also sing at each concert.

Thanksgiving Concert.

There can be no question as to the merit and attractiveness of the forthcoming Thanksgiving night concert in Massey Hall. The Band of the 48th Highlanders will render "Soldiers of the Queen," with vocal accompaniment. This song has made a tremendous success in London and will no doubt become equally popular in Canada. The band will also play the descriptive hunting piece called "The Hunting Scene," which has been performed so successfully by the famous band of the 1st Life Guards. Mr. A. W. Bengough in sketches by voice and pencil, Mrs. Caldwell, soprano, and Miss McCallum, elocutionist, complete a splendid program. All seats are to be 25 cents and may be reserved on and after next Saturday, without any extra charge.

Anthony Hope Readings.

The plan for the Anthony Hope readings on Monday night next in Massey Hall opens to-day. The box office will be open from 9 a.m. till 5 p.m.

Auditorium.

Another big audience enjoyed the laughable show at the Auditorium last evening. Leonard and Marlow deserve great praise for the high-class entertainment they are presenting to their patrons this week, and richly deserve the business they are doing. Manning and Prevost, the acrobatic comedienas, do a great act. Miss Alice Gleason is another "big hit," her coon songs and dialect bringing forth hearty applause.

Little Girls Cooking.

The Pure Food Show management will move their business office to the Mutual-street Rink this morning. The auditorium is beginning to present a very busy appearance, filled as it is with carpenters, decorators and electric light wiremen, all doing their part towards preparing the rink for the big show.

One very interesting announcement is of the holding of a school girl's cooking contest. This will take place on Saturday afternoon, Nov. 27. The conditions of the contest are as follows: Girls competing must be attendants of the city Public schools and not over 15 years of age. No charge will be made for the privilege of contesting. Applications to compete must be posted after 10 o'clock on Monday morning, the 22nd inst., and not before. The number of competitors is limited to 25, and the first 25 applications received will be the chosen number. Competition to be under the supervision of Miss Haxworth, who will also be judge. First prize $5 in cash and three other merchandise prizes. This contest is held with a view to increase the interest in child education in cookery, and will be accompanied by a talk on this important subject by Miss Haxworth.

This contest will doubtless prove of greatest possible interest.

"Dodge's Trip to New York."

Fun, fast and furious, interspersed with catchy songs, and all the latest music, will reign supreme at the Toronto Opera House next week. It marks the return of the Henshaw-Tenbroeck Company to Toronto. They appeared here last spring and became universal favorites. The company this time is said to be even stronger than before. There will be a matinee on Thanksgiving Day.

Huron and Church Street Schools Concert.

An audience of perhaps 2000 assembled at Massey Hall last night to hear Mrs. Agnes Knox-Black, Miss Bessie Bonsall, Mr. Douglas Bird, Mr. Harold Bayley and a local orchestra, under the direction of Mr. John Bayley, the well-known bandmaster of the Queen's Own. His Excellency the Governor-General, the Countess of Aberdeen and party occupied one of the west side boxes, arriving so promptly on time that the orchestra was not ready to play the National Anthem. However, the vice-regal party were quickly discovered by the audience and received a greeting perhaps more acceptable, because of its warmth, than the more formal one that is customary. His Excellency and the Countess bowed acknowledgments. The National Anthem called all to their feet, and at its close the following program was presented:

Beatens—Fantasia on National Melodies ..... Orchestra
Dudley Buck—Dews of a Summer Night. ..... Duet
Miss Bessie Bonsall and Mr. Douglas Bird.
Charlton Black—The Spirit of Scottish Literature ..... Reading
Mrs. Agnes Knox-Black.
Salaman—I Arise from Dreams of Thee ..... Song
Mr. Douglas Bird.
Musin—Mazurka de Concert....Violin Solo
Mr. Harold Bayley.
Cowan—The Promise of Life..... Song
Miss Bessie Bonsall.
Anon—The Bishop and the Caterpillar ..... Reading
Mrs. Agnes Knox-Black.
DeWitt—Medley on Popular Songs.... Orchestra
Jerome—A Charming Woman..... Reading
Mrs. Agnes Knox-Black.
Schubert—Serenade ..... Song
Mr. Douglas Bird.
Blumenthal—Sunshine and Rain .....Song
Miss Bessie Bonsall.
Tennyson—The Bandit's Death ...Reading
Mrs. Agnes Knox-Black.
Tosti—Good-By ..... Song
Mr. Douglas Bird.
Gillet—a. Lion du Bal .....
Rosey—2. Two-Step, The Scorcher.....
.....Orchestra

Mrs. Black's contributions were characterized by the beautiful enunciation and fine finish that have popularized her for years past. Her voice is clear and the charm that always accompanies well-pronounced English made her efforts a thorough success. Mrs. Knox seldom affects the humorous, but is good in minstrelsy, and can make drollery very effective. She was recalled on each occasion. Miss Bonsall has a really grand contralto voice, and won great applause and repeated encores. Though small of stature the voice is large and of great range. Before she was engaged with the Musin Concert Company it was recognized in this city that her voice was sure to win favor, and now, after two years with Musin and two more abroad, Miss Bonsall shows the same power, with an improved method. She was loudly encored.

Mr. Douglas Bird was unfortunate in his selections, and though his voice is a good lyric tenor, he failed to arouse enthusiasm. In fact, it did not appear that his singing had improved with his absence from Toronto, where he was a favorite years ago.

Mr. Harold Bayley made one of the hits of the evening. The Musin Mazurka was splendidly played, reminding one of the composer, who played it here in the Pavilion years ago. He was enthusiastically encored, and responded with the beautiful intermezzo from "Cavalleria Rusticana." The orchestra did not pull together as well as might have been expected, and in some respects it appeared that the management was not what it probably would have been had Mr. Suckling been in charge.

Knights o. Pythians At Home.

Amicus Lodge No. 20 of the Knights of Pythias held its annual at home last night in St. George's Hall. About 250 were present and a thoroughly enjoyable evening was spent. Gilonna's Orchestra furnished the music for the dancing, for which the lower hall was reserved. It was nicely decorated with flowers and palms. In the upper hall was given an impromptu concert for the benefit of those who did not dance. Mr. W. J. Simpson of the Toronto Camera Club exhibited some excellent limelight views of interesting scenes in Europe. Bert Harvey and Charles Musgrave also contributed to the concert. The committee had engaged the whole hall, and the gay dancers and promenaders made good use of the various rendezvous which the committee had comfortably fitted up. Altogether the function was most successful, and will be remembered by the friends of Amicus Lodge as one of the pleasantest social affairs the lodge has ever given.

Sembrich in New York.

There are so few really great prima donnas on the lyric stage that one like Marcella Sembrich, whose natural gifts and acquired accomplishments give her rank in the highest place, is always received with overwhelming appreciation. In New York recently her singing evoked the highest plaudits and standing room was at a premium for her concerts. She appears here on Dec. 2, assisted by eminent artists and the orchestra of the Metropolitan Opera House, New York, and such is the eagerness to hear this famous queen of song that the subscription list is already filling up rapidly at Messrs. Gourlay, Winter & Leeming's. Tickets for choice seats are given in the order in which names are recorded.

IT IS MANSLAUGHTER

For Which Fred Elliott of Bayfield Will Have to Stand Trial.

Goderich, Nov. 16.—Frederick Elliott, the prisoner in the Bayfield shooting tragedy, was remanded to jail to-day by Police Magistrate Seager, to await his trial at the next court of competent jurisdiction, on a charge of manslaughter.

The case was called for argument at 3 o'clock to-day, before P. M. Seager. Crown Attorney Lewis asked for Prisoner Elliott to be committed on a charge of murder. Mr. Proudfoot to the contrary. The Police Magistrate gave a lengthy review of the evidence and of the law, and held that the whole facts of the case being before him he felt it his duty to decide that there was no evidence of any kind to substantiate a charge of murder, and that he accordingly committed the prisoner to the next court of competent jurisdiction on a charge of manslaughter. Bail was admitted and fixed at $1500, which will, no doubt, be produced.

TWO LIVES BURNED OUT.

A Woman and Her Nephew Were the Victims of a Lamp Explosion.

Plattsburgh, N.Y., Nov. 16.—Mrs. Terrill and her nephew, Edward Mason, were burned to death on a farm a few miles from Peru, this county, last night. Mrs. Terrill, who was severely ill, started to her room to retire at about 9 o'clock, carrying a kerosene lamp. In some unknown way the lamp was upset. The burning oil fell on her clothing, enveloping her in flames. Her nephew, who was 50 years old, tried to help her, and in his endeavors his clothing took fire. When he succeeded in putting out the flames, Mrs. Terrill was unconscious. She died soon after the arrival of the neighbors. Mason was so horribly burned that he died a few hours later.

PROBABLY THE SAME GANG.

Crackamen Appear to be Making a Tour of the Midland Counties.

Peterboro, Nov. 16.—The safe of the William Hamilton Manufacturing Company was blown open by experienced crackamen last night and the contents rifled. They were very unsuccessful as far as booty was concerned, as they only got some $30. It is suspected that the thieves are the same gang that have been operating in Norwood and other places. The store of R. Neill was also entered, but nothing was taken.

A man named Henry Trusdale was arrested here to-day on a charge of bigamy. He elected to be tried by jury and was remanded for a week.

Canadian Club.

At an enthusiastic and well-attended meeting last night, the Canadian Club of Toronto was organized, with the following aim: "To encourage the study of the institutions, history, arts and resources of Canada, and to unite Canadians in such work for the welfare and progress of the Dominion, as may be deemed desirable and expedient." The following officers were elected: President, J. A. Cooper; first vice-president, W. Sanford Evans; second vice-president, Neil McCrimmon; literary correspondent, W. H. Moore; secretary, A. H. Beeton; treasurer, A. R. Brown; committee, George Kappele, W. E. Rundle, Angus MacMurchy, W. J. Elliott, J. R. L. Starr, Arthur Willmott, George H. Fenson.

Liquor and Drug Habits.

On the occasion of a lecture delivered before a large and appreciative audience in Windsor Hall, Montreal, in honor of the Father Mathew anniversary, Rev. J. A. McCallen, S.S. of St. Patrick's Church and President of St. Patrick's Total Abstinence Society, made the following remarks: "I wish to call attention to a new aid which Mr. Dixon brings to our temperance cause, and I do this without his knowledge or consent. A physical crave removed, the work of total abstinence becomes easy. If I am to judge of the value of 'The Dixon Remedy' by the cures which it has effected under my own eyes, I must come to the conclusion that what I have longed for twenty years to see discovered has at last been found by Mr Dixon, namely, a medicine which can be taken privately without the knowledge of even one's own intimate friends without the loss of a day's work or absence from business, and without danger for the patient, and by means of which the physical crave for intoxicants is completely removed. Therefore, on this Father Mathew anniversary, do I pay willing and hearty tribute to 'The Dixon Remedy' for the cure of alcohol and morphine habits."—Montreal Gazette, Oct. 22, 1897.

*Note.—The cure referred to above can be had of the discoverer, Mr. A. Hutton Dixon, No. 40 Park-avenue, Montreal, who will send full particulars on application.

S. Ackerman, Commercial Traveler, Belleville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for inflammatory Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others as it did so much for me." ed

Pleasant Evening With Miss Alexander.

A successful concert was given last evening in College-street Presbyterian Church. The program of 11 numbers embraced readings, interspersed with vocal and instrumental music. The principal features were the recitations of Miss Jessie Alexander, who introduced a new contribution for the first time, entitled "The Building of St. Sophia." By her marked ability she fully sustained her high reputation. There was also a duet by Miss Hessin and Mr. Dockray, and vocal selections by Miss Jennie M. Forbes, soloist of the church. A delightful evening was spent.

Courage and Character.

Rev. Dyson Hague had a large audience of young men at the Central Young Men's Christian Association last evening. He gave a capital talk on "Courage." He said the lack of courage in Christian men to think, to speak and to act was a powerful weapon on the side of Satan. Often silence was the greatest sin a man could commit. By daring to confess Christ, men had rooted out sin and destroyed evil customs. Only Christ in the life will give a man courage. To-night Mr. Hague will speak on "Character."
