LONDON PASSED ITS
NEW OBJECTIVE IN
VICTORY LOAN PUSH

City Has One of Highest
Standings in Canada.

COUNTY OVER \$2,000,000

Lucan Village Has a Record
Unsurpassed in the
District.

Victory Loan headquarters announced
last night that London averages a
new objective of \$5,000,000, with \$5,000,
to spare. In the big loan finally stands at \$6-
500,000, for a total of 12,572 applications
and an average of a bond for every
4.5 people in the city. That the stall
was delighted with putting it mildly. The
canvassers were out for the day and a
half million, and they reached it.

The county shot into the two mil-
lion class, justifying the statement often
made that Middlesex is the banner
county of Ontario. Monday's total made
a number of places to be heard from yet.
It is expected that the county will be
able to make its final count today. Up
to the present 5,128 applications for
bonds have been taken out in the
county, which means a bond for one in
every seven. In some school sections
of Canada a bond for one in every
three has been secured.

The village of Lucan has an average
of \$1,000 for every man, woman and child
in the place. It is a record to be
proud of. There is still a lot of work
to be done around headquarters, and it
is expected that the organizers will be
in London for several days yet.

VOICE OF THE PEOPLE

TORY HUMBUG.

To the Editor of The Advertiser:

It is reported that some Tory par-
ties are circulating the story that if
Laurier and Laurier candidates will become
valueless.

It is merely ignorance, or stupid Tory
prejudice, or deliberate misrepresen-
tation, that the latter are responsible.

Presuming that such ridiculous stories
are merely the exhibitions of flights of
imagination of ignorant Tories, what ex-
cuse can there be for the repeated false
statements of Tory newspaper editors
and Tory politicians and crazy Liberal
"Unionist" editors and Liberal "Union-
ist" politicians who make and repeat
such lies? Will thinking electors be de-
ceived by such Tory humbug as this?

Why are the Bourassa men, Blondin
and Sevigny, retained as members of
the Borden cabinet?

PLAYING UP TO QUEBEC.

To the Editor of The Advertiser:

Will you please try and find space
for this letter amongst your valuable
columns?

You will find inclosed herewith a
clipping, in which you will see that the
majority of Montreal has issued a call
to the police of that city not to
proceed with the arresting of defaulters
in the military service and to allow
that in his opinion that if the govern-
ment want defaulters arrested, and if
the military service is to be kept out
of my mind, if Ontario, that if Ontario
is not going to be called upon to supply
four or five men to every one that Que-
bec gives, the Unionist Government, in-
stead of stumping the country canvass-
ing for votes by a lot of promises for the
future, had better settle down and show
their good faith to Ontario by doing
something really tangible to help out
the do it share, otherwise, Ontario,
if it is wise, will know how to vote on
coming Monday at the election. The
Unionist Government has not intended
now, or ever, making Quebec fall into
the hands of the English-speaking pro-
pines, and why, because Sir Robert Bor-
den, Justice, Doherty,
McGlen and several other framers of
the military service act, framed
the act, and they are not now
famous words of Mr. McEwen. "The
act would work more lightly on
Quebec than any other province."
