Soft Spell Put Skids Under Hockey Plans

Manufacturers Opening With Second Games on Thursday.

The week-end thaw swept rink and park surfaces all clear of ice, and even the water disappeared on the open air rinks, and with it the hope of the opening game of the Manufacturers' League tonight and the juniors' tilt with Woodstock tomorrow night.

BOILS SO BAD HAD TO GIVE UP WORK

From the days of Job, up to the present time, boils have been one of the afflictions of the human race.

Boils are simply caused by the bad blood bursting out, and the bad blood must be made pure before the boils will disappear.

Burdock Blood Bitters, which has been on the market for over forty years, is well known as the greatest blood medicine procurable.

It purifies the blood by removing every particle of foul matter from the system, and when this is done the boils vanish, and you should never be troubled again.

Mr. James Mahy, Newport Island, Que., writes: "I was troubled with boils on my back and neck, so bad that I was obliged to give up work. I tried several remedies, but got no relief. Finally I went to a doctor, and he treated me for several weeks, and all without benefit."

At last a friend told me of Burdock Blood Bitters, so I decided to give it a trial. I got three bottles, but before I had taken two the boils were all gone. It is eight months now, and I have had no return of the old trouble, and have never felt so well."

B. B. B. is put up only by The T. Milburn Company, Limited, Toronto, Ont.

As a Fence-Buster, Babe Is Some Bank-Roll Smasher

CINCINNATI, O., Jan. 1.—Babe Ruth had good reasons for returning to the U. S. A. If he hadn't started when he did, he might have had to swim and drape himself in a barrel after landing.

As You Were

New Years slipped by and President Maines of the M.-O. League didn't send a card to any of the players.

There was "Tino of Greece he might have sent one to. With the Balkan League, he ought to be lined up with the rest of the minor leaguers."

Trouble with sending a cable to the Greek king would be that George would have had to send money for the reply as Tino hasn't got any funds.

If this week doesn't change the luck of the hockey teams, they are going to hold tank meets on the regular nights. The local press-chasing just as bad as any definite stand for or against grape juice, but they are definite on their feet on the water question. They don't like it in their hockey.

Ray Schalk says the White Sox will have pepper this next season. They had that last year or something just as bad as for throwing in the eyes of the fans.

George Carpenter's life was saved recently by a bunch, when he took a chance of being stuck instead of going into a plane, which fell and killed the passengers on that trip. The plane crashed and well to get some insurance against those hunches of Georges', or he might have to divide that \$500,000 purse among one man.

An American woman, billiard champion, is away on a four-year tour of South America, to take on all the olive-oiled champions. She could probably cut the trip by about two years by cutting the conversation.

KITCHENER 13, MILTON 0

KITCHENER, Jan. 2.—Kitchener and Elmira Intermediate teams played an exhibition game in the local arena New Year's evening. The result was 13 to 0 in favor of Kitchener.

The soft ice of the contest was not as interesting as it was hoped it would be. Elmira also was at a disadvantage owing to lack of practice.
