

It is with sorrow we have to record the death of an old and valuable member, Mrs. Leitch, who after much patient suffering passed away; and although sickness prevented her presence with us at the monthly meetings, her interest in the welfare of this Society was warm and constant.

We have also been called upon to extend our sympathy to other members to whom the past year has brought sorrowful bereavements; we pray that grief and mourning be removed from their hearts, and may they be sustained by the knowledge that those dear departed ones have been called to a home where all is happiness, and where there is no parting, death or disease.

Secretary.

REPORT OF THE
Young People's Society of Christian Endeavor

In presenting this our annual report we would express our gratitude to our Heavenly Father for His guidance and help throughout the year. Early in the year we were saddened by the loss of one of our members, Miss Jury, who was called home on January 2nd. The thought of her life—patient and helpful even in the midst of suffering—has spurred us on to greater efforts in the Master's cause. "She being dead, yet speaketh."

We were pleased to receive eight new members into the Society during the year. We have now forty active members and fifteen associate members.

Our prayer meetings have been well attended and very helpful to us all. We conducted four prayer meetings at the Bethel Mission, and on the evening of January 2nd the Society entertained the men at the Mission.
