Old Country were the first to get going, Champ and Allan making a pretty run on the right, but the latter overran the ball at the critical moment and allowed Tunstall to clear. The railway now had a look in and Bennett conceded a corner in clearing a hot one from Worthington. This was cleared easily, and Allen had another try for Old Country, but his shot was a trifle wide. Fast even play was the order for the next few minutes, each end being visited in turn, but the shooting was poor and neither goal keepers were seriously troubled. Allen had a glorious chance for Old Country, but shot yards wide with only Cohen to beat. Herring started for Imperials, but Lowe robbed him and passed out to Carter. Welch intercepted the pass and gave to E. Wardell, who put outside. Walker made pday on the left and centred accurately to Sharp; the latter fooled Westly and taking deliberate alm planted the ball in the corner of the net. From the centre kick Dunlops again priessed and Clarter forces a corner, another resulting, to be followed by a bird, all in quick succession, Chadwick clearing the last one.

Money made a nice run on the left and finished with a shot which went wide of the mark. From the goal kick, Lowe raced away running the length of the field and finishing with a lovely centro across the goal mouth, but none of his team mates were near enough to take advantage of it and the ball traveled over the line. Play continued in Imperials half. Carter making two good attempts to score.

Imperials broke away on the left, and Money put in the ball right across the goal mouth, Richardson saving an almost certain goal when he tipped the ball with his head out of the reach of Wardell, who was lying unmarked in the goal mouth. The meet has been a very successful one for the stockholders and some very interesting racing took place.

and some very interesting racing took place.

The card today, consisting of the usual eight carded events, was featured, inasmuch as there were two open races, the third and fifth, which furnished the best sport of the day. The conditions have become so difficult of entrance, that a number of horsemen here found it impossible to enter, hence the open events. The track was fast and the weather very sultry. Most of the horses stabled here will move to Hillerest park for the opening of that track next Tuesday.
