

not be charged for 97 acres.
The Dept is, however,
willing that Mr. Lamontagne
be allowed at the rate
of \$87.90 per acre for 97 acres
= \$844.33 and interest thereon for
seven years at six per
cent, that being the
term that has expired
since the first offer
was made. The
whole amount that
will then be payable
on account of the said
97 acres should be
\$844.30 + 35.44 interest,
= \$879.73.
