September 28th. 1915.

Dear Mr. Green.

I am sending you herewith copy of a letter which I have received from Mr. Hutchinson with reference to the dyke. I was anxious that this work should be properly done as part of the cost was contributed by Mr. Hutchinson and others, and I think they have a right to expect that everything should be perfectly satisfactory.

I have read your report of the 16th. August last on this subject. I would take it as a favour if you would look into the complaints made by Mr. Hutchinson and endeavour to satisfy him. Even if it should be necessary to spend a little more money, we must have this work a credit to the Department.

Yours sincerely,

Ashdown H. Green, Esq., B.C.
