The Winnipeg Free Press of last Thursday said: "The body of the late Mrs. J. H. Sutherland, who died in Winnipeg on a visit to Mr. J. H. Sutherland of New Brunswick, was on a visit to the harbor."

The following gentlemen acted as pall-bearers: Chief Justice Tuck, Judge Barbey, Mr. Thomas Gilbert, Howard D. Troop, Wm. E. Vroom, and Dr. A. F. McInerney.

POLICE COURT

The Magistrate had a Weary Group Before Him This Morning.

A weary looking group, five in number, stood the bench at this morning's session of the police court.

William Harding, charged with wandering about British street and being unable to give a satisfactory account of himself to the police, was remanded.

The claimant was a rate-payer and was sentenced to pay a fine of \$100 or to go to the police for six months or to the workhouse for three months.

James Lowell, charged with fighting on Mill street in view of the police, was also in court this morning. He said he had been merely in a scuffle, and was remanded.

According to the evidence the quarrel arose out of a previous dispute and when the police appeared on the scene Lowell's opponent disappeared. Some of Lowell's relatives were in court, and are very anxious to have the matter disposed of at an early date. The case will probably come up this afternoon.

George Goldsmith, charged with drunkenness and profanity, was found guilty and fined \$4 or ten days on the first charge and \$4 or sixty days on the second.

Walter Scott and James Shea were fined \$4 or ten days each for drunkenness, and Elizabeth O'Brien, charged with a similar offense forfeited a deposit of \$4.

A LIQUOR CASE

W. J. Cunningham Fined \$50 For Keeping "the Ardent" For Sale.

William J. Cunningham's restaurant on Britain street was raided Sunday and a quantity of liquor found on the premises. Cunningham was before the magistrate this morning. He pleaded guilty and was fined \$50, or six months in jail.

Cunningham had been conducting a restaurant for some years past, and claims to have kept the liquor partially for his own use.

Officer Marshall visited the premises referred to on Sunday last and discovered two large barrels of whiskey, four of the same size partly full and three flats, also a half of whiskey. The goods were seized and brought into court this morning.

The charge laid against Cunningham is: Unlawfully keeping liquor for sale on Sunday, the 7th inst. He was provided with a beer license last year, but that has expired. His honor observed that under the law, strictly speaking, persons holding a beer license need not keep liquor on the premises at all. They were liable to a fine, and the license may at the discretion of the proper authorities be withdrawn.

It is not known whether or not Cunningham will be granted a beer license. He informed the court that the liquor was not found in the store but in an adjoining room. His honor said it must not be kept on the premises of a restaurant.

NEWS FROM NORTH END

H. T. Giggey's Death

Much regret was felt by the North End merchants yesterday at the death of Hiram T. Giggey of Millville.

Mr. Giggey was well and favorably known in the North End. One particularly sad thing about his death is that he was preparing to take a trip to the south, at account of his health.

He had never been seriously ill before, and the news of his death came as a great shock to his friends.

Taken Ill on the Street

Wilfred Carpenter, son of Ira Carpenter, of Hampstead, was taken suddenly ill on Kennedy street this morning at 10:45 o'clock.

Young Carpenter came to the city yesterday, to attend a business for his father. He put up for the night in a house occupied by a Mrs. Stewart Buchanan on High street.

He rose early this morning, and was on his way to a store on Kennedy street, when he fell to the sidewalk. Bystanders rushed to his assistance, and carried him to a doctor.

The young man soon revived, and stated that he had been seized with a fainting spell. He was very strong enough to return to his boarding house.

Minor Notes

William Arnold, who has been visiting Mrs. Tufa of Main street, left this morning for Halifax, where he has accepted a position as clerk in a wholesale grocery firm.

IMPRESSIVE OBSEQUIES

Funeral of the Late George K. McLeod Held This Afternoon.

The funeral of George K. McLeod took place this afternoon from his late residence, 81 George street. It was very largely attended.

An impressive burial service was conducted at the house by Rev. E. A. Wicher. He spoke upon the life of Mr. McLeod, and drew attention to the fact that his many good works would live after him.

Many floral tributes were sent out of respect to Mr. McLeod. Among them were: Large wreath of ferns, trimmed with white ribbons, from the ladies' committee of the Protestant Orphan Asylum; another of white and scarlet carnations, from Mr. and Mrs. Fred E. Saxe; wreath of polished ivy with violet base, from Mrs. George K. McLeod; cross of roses and carnations, trimmed with white ribbon, from the Misses Smith; handsome wreath of carnations, roses, and sweet peas, from the Cliff Club; and one from Mrs. Isaac Burpee.

The funeral procession left the home on Orange street at about 2 o'clock, and proceeded to Farnhill cemetery by way of Sydney and Waterloo streets.

The Cliff Club, of which Mr. McLeod was a member, attended in a body.

The following gentlemen acted as pall-bearers: Chief Justice Tuck, Judge Barbey, Mr. Thomas Gilbert, Howard D. Troop, Wm. E. Vroom, and Dr. A. F. McInerney.

B., where he is looking after the interests of a Boston company, who are working the copper mines industry. He reports a good deposit of the metal, which starts from the sea shore and runs inland for a depth of one to twelve feet. He says that there is also another company working the same industry in that district.

The ore is to be taken to Pictou, where it is to be smelted in the old smelter, which has been rebuilt by another company. He predicts quite a boom for that part of the country in the near future.

MUNICIPAL COUNCIL AFTER THE CORONERS

Declare They Have Held Twenty-Five Unnecessary Inquests --- Want Power to Appoint Almshouse Commissioners --- Card Playing in the Jail --- The Assessments.

The following reports were submitted at this afternoon's meeting of the municipal council:

To the Warden and Council of the Municipality of the City and County of Saint John: The coroner's report on the death of George K. McLeod, which was held on May 7th, 1905.

The committee after the consideration of the report, decided that the inquest was unnecessary, and that the coroner should be notified to that effect.

The committee also reported that in one instance a young prisoner was placed in a cell in the jail with other prisoners, but they also found that this was entirely within the discretionary power of the high sheriff, and not inconsistent with the law.

The committee further reported that card playing was carried on occasionally by the prisoners, but this also was within the discretionary power of the high sheriff, and not inconsistent with the law.

The committee also reported that the quality of the food supplied to the prisoners was not up to the standard, and that the accounts be left to report as follows:

Table with 2 columns: Item and Amount. Includes: Almshouse and workhouse, \$15,770.00; For General Public Hospital, \$2,000.00; For Local Board of Health, \$2,000.00; For Almshouse, \$1,000.00; For Hospital, \$1,500.00; For Jail, \$500.00; For Jail improvements, \$500.00.

The committee recommended payment of the following amounts, such payment to be made from the contingent fund, except as otherwise directed:

Table with 2 columns: Item and Amount. Includes: Coal supplied to court house as per contract, \$30.24; Sheriff H. Barker, \$100.00; For Lockwood to Provincial Hospital, \$100.00; For printing bill for legislature, \$5.00; Richard Rawlings, \$5.00.

BAD BLAZE AT TATAMAGOUCHE

Three Stores and an Office Burned With Their Contents This Morning.

AMHERST, N. S., May 9.—(Special)—A very serious fire occurred at Tatamagouche, Colchester county, this morning when three stores and an office with most of their contents were destroyed.

The fire started at 1:30 in the rear warehouse of George Clark, and within twenty minutes the whole premises were a mass of flames. The butcher shop of D. Menzies, on the west, caught and was soon consumed, while the fine store of D. Nelson, on the east, also caught. Back of the goods from the west were saved.

A small office belonging to the estate of the late Dr. Roach was between Nelson's store and that of D. Chambers, and here the fire was stopped by the almost superhuman efforts of the citizens.

Chambers' stock was badly damaged by smoke and water. Nelson's loss is about \$2,500, with \$1,100 insurance. Clark's loss is about \$5,000, with \$1,000 insurance. Menzies' shop was insured by Alexander Fraser, was insured for \$300. Considering that the only fire appliances were a hook and ladder and a bucket brigade, the citizens deserve great credit for confining the fire to the burned buildings.

POLICE REPORTS

There is a dangerous hole in the sidewalk on Haymarket Square.

A coat and vest found outside Isaac Williams' store on Dock street, are at police headquarters.

The police report a dangerous hole in the sidewalk, near Rankine's on George street.

SACKVILLE GETS CHEAPER RATES

SACKVILLE, May 9.—(Special)—Peter Clinch, secretary of the Board of Fire Clinch, Underwriters, arrived in town last night, and this morning visited the water pressure and fire alarm systems. He found the same satisfactory, and granted a reduction of twenty per cent. on all Sackville rates paying over one per cent. The reduction goes into effect today. Business men are naturally much pleased.

WATERWORKS EXTENSION

Good Progress Being Made—Camps to Accommodate 170 Men.

Superintendent Murdoch visited the scene of operations for the new waterworks extension yesterday, and reports that work is progressing favorably.

The rights of way between Robertson Lake and Lake Lotimer is cleared. The right of way to Robertson Lake has now been cleared and the men have been put to work. A party of men are also clearing the right of way to Lake Lotimer, which is about half cleared. The right of way to the dam is now entirely cleared and digging operations are in progress.

The former offer ample accommodation for about one hundred men, the latter provides shelter for about seventy.

Arthur & McVey's camp is necessarily smaller, as in that section the population is more numerous and quite a number of men can procure accommodation from the men in either camp.

In both camps the bunks are built two tiers high, and the dining table provides room for about a hundred men in either camp.

Four engineers are employed, viz: a consulting engineer, in Boston; one resident and two district engineers.
