PUBLIC NOTICE.

THE High repute and extensive sale of ROWLAND'S MACASSAR OIL, throughout the world, has induced adventurers (in order to gain a trifling more profit, to introduce "spurious imitations" into America,—injurious to the Hair, instead of the ORIGINAL.—To prevent such Imposition, it is necessary to Notice, that each bottle of the Original is enclosed in a Wrapper, which has the Name and Address in Red, on Lace-work. A. ROWLAND & SON, 20, Hatton Garden. And counter-signed, ALEX. ROWLAND.

—All others are Counterfeit.—Particular attention to this Caution is necessary, as the Proprietors cannot be responsible for the serious injury resulting from the use of base imitations. This faithful assistant of nature has, from intrinsic worth alone, acquired the high and distinguished patronage throughout Europe; and, with rank, fashion, and discernment, supercedes all preparations of professed similar import. Rowland's solely genuine Macassar Oil elicits a luxuriant growth to the head of fine silky hair, and insures the continu
