PUNISHED VILLAGE FOR KINDNESS TO PRISONERS

Amsterdam, Oct. 23.—The Germans has punished Issegen. English prisoners traversed Roulers street, a thickly populated quarter of Issegen, stepping out, says the Telegram's correspondent, with head erect. The people rushed out of doors. They had little food but apples, which they gave the British. The women and girls ran to the prisoners, slipping apples into their hands. The Germans threatened the civilians with the bayonet. The people then threw the fruit from a distance. The Germans ordered the dwellers on Roulers street to do all their errands before nine in the morning, after which they must remain the whole day indoors, with windows closed. The German authorities were furious, and posted a notice on the walls forbidding the least demonstration when prisoners pass.

MORE FINES OF \$250 IN LIQUOR CASES IN POLICE COURT

The good work of Liquor Inspectors Crawford and Barrett is slowly and surely breaking up the game of the bootleggers of the city. Yesterday it was due to their good work in the management of the prisoner, named McDermott, that the evidence against Mulcahey for bootlegging was complete and this morning another one, George McCarty, was arrested in Union street by the inspectors. On being brought before Magistrate Ritchie in the police court this morning he was fined \$200 or six months in jail.

Before Magistrate Ritchie in the police court this morning William Pine was charged with being drunk on Union street and drinking in public. He was fined \$8 or two months for the first and \$200 or six months for the latter and was sent to jail.

Abelle LaPoint, a military prisoner, being held here on charge of desertion from the 168th Battalion, now overseas, was brought to the police court for trial. As his regiment was overseas he was remanded.

LOCAL FOOTBALL

The first interscholastic football game of the season will be played in this city on Friday afternoon, weather permitting. A problem which confronts the members of the High school team is where the game is going to be played. The Fredericton boys are scheduled to play here on that date and at Rothesay the day following. The local team in former years played on the Shanrock grounds, but as they were leased to the Bistany Shows for the last three weeks they were not available this year; and if they were the ground is unfit for football games. An endeavor will be made to secure permission to play the league games in a field in Fairville and thus keep the league intact.

The St. John team will be chosen from the following players: Doherty, Akert, McQuade, Dawson, Kerr, Hoey, Malcolm, Moses, McRae, Kee, Day, Grant, Trafton, Gillis, Gill, Cunningham, Hutchinson, Sinclair, Shaw, Wilkes, Nator. Captain Robertson has been in poor health and is not expected to play any more this year. Edwin McQuade who is vice-captain of the team is spoken of as his successor.

THE J. FRANK SEAVEY, MASTS GONE, IS TOWED TO HALIFAX

Halifax, Oct. 23.—The three-masted American schooner J. Frank Seavey was towed into Halifax harbor today with all her masts gone. She sailed from Gaspe, Que., on last Tuesday with a full cargo of lumber. On last Sunday night she ran into a terrific gale and before the sails could be lowered the three masts snapped off and with the rigging fell over the side. Several members of the crew had a narrow escape. Before the ship could be righted the crew had to cut away the wreckage. The Seavey was picked up by the coastal steamer Margaret on Monday. She is in command of Captain Kelton, registers 413 tons gross and hauls from Maine.
