Grand Headquarters of the French
Army in France, Nov. 24 - (By the As-
sociated Press) - The brilliant record of
the French aviators, including the mem-

**"FLASHES" PUT HIM
ON WATER WAGON**
The Victory Bond Signal Rather
Upset a Bilibulous Visitor
(Halifax Chronicle.)
He was in from the rural districts for
the day, and during the afternoon some
old friends met him, who had recently
succeeded in securing a supply of the
ardent. Together they went to a quiet
place, where they had a couple of
rounds, and later on they went to an-
other place where they had a third
round and a fourth - perhaps a fifth -
and by this time it was 6 o'clock and
time for supper. So he of the rural dis-
trict went to a restaurant, found a table
and started to read the bill of fare. But
at that moment something happened.
Just as he had got his spectacles ad-
justed - "flash!" went the electric
lights. He looked up to see what the
trouble was, but by this time the lights
had come on again. So once more he
picked up the menu card; once more he
adjusted his spectacles. Flash! out
went the lights. This was certainly
startling.

Roderick Ross of Nashwaak, passed
away at his home on Nov. 19, at the
age of eighty-six years. He is survived
by five sons - Donald, Isaac and William A.
Nashwaak and Charles and Wesley of
Fredericton; two daughters, Mrs. J. A.
McNabb of Nashwaak Bridge and Mrs.
Dr. Hanbridge of Victor, Montana.

rudder and sent out S. O. S. calls for
assistance on Saturday, was picked up

partment and towed into Halifax harbor

**CHILDREN HATE
PILLS, CALOMEL
AND CASTOR OIL**
If Cress, Feverish, Constipated, Give
"California Syrup
of Figs"

Look back at your childhood days.
Remember the "dose" mother insisted on
- castor oil, calomel, cathartics. How
you hated them, how you fought against
taking them.
With our children it's different. Moth-
ers who cling to the old form of physic
simply don't realize what they do. The
children's revolt is well-founded. Their
tender little "insides" are injured by
them.
If your child's stomach, liver and
bowels need cleansing, give only delicious
"California Syrup of Figs." Its action is
positive, but gentle. Millions of moth-
ers keep their harmless "fruit laxative"
in their homes; they know children love to take
it; that it never fails to clean the liver
and bowels and sweeten the stomach,
and that a teaspoonful given today saves
a sick child tomorrow.
Ask your druggist for a 50-cent bot-
tle of "California Syrup of Figs," which
has full directions for babies, children
of all ages and for grownups plainly on
each bottle. Beware of counterfeits sold
here. See that it is made by "Califor-
nia Fig Syrup Company." Refuse any
other kind with contempt.

RECENT DEATHS
Edward O'Shaughnessy.
Many will learn with regret of the
death of Edward O'Shaughnessy which
occurred at his home, 34 Pitt street, at
an early hour Sunday morning. Mr.
O'Shaughnessy, although not in the best
of health for some time, was only con-
fined to his home for about a week.
News of his death yesterday was heard
with expressions of regret from his
friends. Of late years he was inspector
of dredges at Courtenay Bay but for
many years previously was engaged in
the trunk business in German street.
He was also identified with the active
militia of the city for several years be-
ing a member of the 62nd volunteer bat-
talion. He was also a charter member

**AT ONCE! STOPS
STOMACH MISERY
AND INDIGESTION**
"Pape's Diapiesin" Makes Sick,
Sour, Gassy Stomachs
Feel Fine

Do some foods you eat hit back -
taste good, but work badly; ferment
into stubborn lumps and cause a sick,
sour, gassy stomach? Now, Mr. or Mrs.
Dyspeptic, jot this down: Pape's Dia-
piesin digests everything, leaving noth-
ing to sour and upset you. There never
was anything so safely quick, so cer-
tainly effective. No difference how bad-
ly your stomach is disordered you will
get happy relief in five minutes, but
what pleases you most is that it
strengthens and regulates your stomach
so you can eat your favorite foods with-
out fear.
Most remedies give you relief some-
times; they are slow, but not sure.
"Pape's Diapiesin" is quick, positive
and puts your stomach in a healthy
condition, so the misery won't come back.
You feel different as soon as "Pape's
Diapiesin" comes in contact with the
stomach - distress just vanishes - your
stomach gets sweet, no gases, no belch-
ing, no eructations of undigested food,
your head clears and you feel fine.
Go now, make the best investment
you ever made, by getting a large fifty-
cent case of Pape's Diapiesin from any
drug store. You realize in five min-
utes how needless it is to suffer from
indigestion, dyspepsia or any stomach
disorder.

FLIGHT AT HEAD OF PLATOON
Late Lieut. George K. Holland Killed
in Action By Rifle Bullet.

George K. Holland, was killed
by a rifle bullet in the early morning
while leading his platoon.
A private cablegram from London tells
the story of George K. Holland's

dian Bank of Commerce, Woodstock,
Ont., and grandson of the late George
Burton Holland, of Toronto, and of the
late F. E. Kiltvert, M. P., afterwards
collector of customs at Hamilton, and
nephew of B. Cory Kiltvert, artist, of
New York, and of Mrs. J. Ross Robert-

Fighting Man Has Never Failed.
London Daily Telegraph.)
As we look back upon these three
years of war and suffering, the figure
on whom the pure, ennobling light of
transfiguration shines most radiantly is
that of the plain fighting man. Gazing
upon him, the distinctions of rank are
no longer seen. We discern only the
fighting man in khaki, soldier and stain-
ed, the captain of companies, the gal-
lant boy - those countless second lieut-
enants - who have played their last
game so finely; the sergeants, the priv-
ates; the British soldiers of the fringe-
line who have borne the heaviest brunt
