Columbus, Ga., Oct. 4.—The McTigue-Stribling light heavyweight championship fight scheduled to be held here tonight was called off late last night when it was announced that McTigue had sustained a broken hand in training.

Cleveland and Detroit Run and Neck for Second Honors.

New York, Oct. 4.—The equaling of a world record, the continuation of the slip and tuck battle for second place in the American League standing, and the fraternizing of coming world's series opponents in an exhibition game, made yesterday a noteworthy day in baseball.

This Speaker, player manager of the Cleveland Indians, was credited with equalling a world record when he drove out his 56th two base hit of the career season in a game in which his team defeated the St. Louis Browns, 9 to 2.

Cleveland's victory in that game and Detroit's 4 to 1 win over the White Sox enabled the Tigers to remain within striking distance of the Indians in their race for the runner-up position in Ban Johnson's circuit. In the latter game Manager Cobb introduced a recent pitcher, Whitehill by name, who held the White Sox well in hand throughout the contest.

In the remaining American League games of yesterday, the Mackmen, profiting through the wildness of Ross, a Washington rookie, who gave six walks in the second inning, trounced the Senators, 12 to 9, thereby making a clean sweep of the series.

Dutch Ruether, of the Dodgers registered his fifteenth win of the season when Brooklyn beat the Braves 6 to 0, in the single National League game on yesterday's card.

The fraternizing of coming world's series opponents occurred when Babe Ruth, Ward and Elmer Smith, of the Yankees, temporarily joined the Giants in an exhibition game in which the Baltimore Orioles were defeated. Ruth retired from play after making a home run in the fifth inning.

The German Chancellor, Dr. Gustav Stresemann, and the members of his Cabinet resigned from office last night, and President Ebert called upon Dr. Stresemann to form a new Cabinet.

Town Manager M. J. Rutledge of Woodstock, accompanied by James Brown, also of Woodstock, were in Fredericton yesterday to interview the Provincial Government in the matter of giving assistance of a financial nature to the Woodstock Exhibition, which showed a loss this year.

Mrs. Alice M. Dodwell, wife of C. E. W. Dodwell, supervising engineer of the Public Works Department in the Maritime Provinces, died yesterday in Halifax at the age of 71 years. She leaves her husband, two daughters and four sons.

At a meeting in Ottawa yesterday of the International Joint Commission an order was passed approving the construction of fishways in certain dams of the St. Croix river between New Brunswick and Maine. C. A. Magrath, chairman, presided at the meeting.

SHIPPING SUFFERED FROM RECENT BLOW

Captain and Sailor Swept Overboard—Parraboro Vessel Ashore—One Missing.

Halifax, Oct. 4.—Accidents to ships well known in the port of St. John and other Maritime Province ports have been reported as a result of the violent storm of Monday. The four-masted vessel Governor Parr, while en route from Ingranport, N. S., to Buenos Aires with lumber, lost her captain, Angus Richard of LaHave, N. S., and one of her crew, washed overboard. The vessel was built in Parraboro in 1918. The three-masted schooner Cape Blomdon,

placed her in rather a compromising position, and by a threat to publish the letters, Patsy found out and checks the blackmailer but placed herself in a wrong light in the eyes of the family and was expelled from the household. Julia confessed and all ended well.

"PATSY" PLEASED AT OPERA HOUSE

Presented by Carroll Players to Delighted Audience Last Evening.

When Sumner Nichols wrote the four act comedy "That Girl Patsy," he must have laughed at the child of his own genius, and when the J. Frank Carroll players presented the play at the Opera House last night, the audience which taxed the capacity of the auditorium, laughed with him and then called the play good. It is replete with clean humor.

Miss Edna Preston, as Patricia Davis, "Patsy," graciously carried the burden of the performance on her own shoulders, which same she was entirely capable of doing. A member of the great army of working-girls, Patsy was one of a working girl's club over which Miss Mabel Munson, as Miss Harper, presided. Miss Harper's old maidish ideas of how to run a home for working girls did not quite agree with Patsy's idea with the result that there was many a scrap. Mrs. Robert Warren (Miss Doris Kelton), one of the chief patrons of the club, happened to be present at one of these scraps, with the result that Patsy was adopted by Mrs. Warren. The family, with the exception of Robert Jr., played by James G. Coats, did not take favorably to the idea of adopting a girl out of the gutter, as Robert Senior, (Owen Coll), termed her.

A society vamp and blackmailer, in the person of Philip Greer, played by Clyde Franklin, had been at work in the Warren family and through some thoughtless letters from Julia Warren (Virginia Oleton) to himself, he had
