are maiden voyage, and that they will play their first game in Canada with play their first game in Canada with play their first game in Canada with partial possible for the programme of public improvements in local players, will be welcomed, not only because it will give our people the opportunity of seeing a first class old country team in an exhibition of this vigorous and interesting game of football, but also because it will give Nova Scotla the place to which it is entitled in the torus of the Scottish players."

The outlook for the settlement of the place to which it is entitled in the torus of the Scottish players.

The cight hour day and forty cight hour day and forty cight hour day and forty cight the set in the cight hour day and forty cight the place to which has do exist the place to which the set in the legislature of Manitodo by a vole of twenty-nine votes to tweive, on the ground that there is no pressing need for it and that it would injuriously affect the agricultural industry. The attempt general, however, will seek an interprovine and the trivella place to which the set in the country needs to do an interprovine the set of the place to t

depressing for the traveller using the highway. Good streets are a good investment.

Mr. John Anderson, a former member of the legislature for York county, is dead at the age of ninety-nine years. What a store of interesting material in relation to the early history of the river counties the written reminiscences of such a man would be. The late Mr. Anderson was a fine type of the pioneer and a strong factor in promoting the walfare of the community in which his long life was spent.
