JUNE BRIDES

The marriage of Miss Ellen McIntosh,
daughter of William McIntosh of New-
ton Range, Scotland, to John Simpson
of East St. John was solemnized at 4
o'clock yesterday afternoon in Knox
Presbyterian church. The ceremony was
performed by Rev. Moorehead Legato,
pastor of the church. The bride looked
charming in white duchess satin trim-
med with seed pearls, wearing a bridal
veil with orange blossoms and carrying
a bouquet of Opelia roses. She was at-
tended by Miss Dorothy Cunningham,
and was given away by her brother-in-
law, Hugh Melville. The bridesmaid
wore pale blue silk with large leghorn
hat and carried a bouquet of white
pink carnations. The groom was sup-
ported by Murray McLaren Stirling.
The bride party entered the church to
the strains of the wedding march played
by the organist, Miss Wilson. Ruth
Stubs and Alice Goodwin, flower girls,
were daintily dressed in white with lace
hats and carried baskets of daisies and
forget-me-nots.
After the wedding the party returned
to the home of Mrs. E. Stirling, where
a dainty wedding supper was served.
Mr. and Mrs. Simpson left immediately
after for a wedding tour of New Brun-
swick by automobile. On their return
they will reside at East St. John. The
bride's traveling dress was of taupe
brocade with hat to match. The
groom's gift to the bride was a sunburst
of pearls, to the bridesmaid a pearl pen-
dant to the groomsmen a watch. The
flowers girls carried a basket of flowers
to the flower girls' brides. The bride
received a number of gifts from her
home, including a substantial check from
her father. Among the other gifts re-
ceived was a set of dishes from Major
Murray of Toronto, also a leather divan
from Major Grant. A dinner set was
received from the East St. John Ath-
letic Club of which the groom is presi-
dent. Mr. Simpson served for four
years overseas under Major Grant and
Murray of Toronto with the 15th Bat-
talion of 48th Highlanders.

EXERCISES AT THE CONSOLIDATED SCHOOL, HAMPTON

The Hampton Consolidated school
held its closing exercises yesterday af-
ternoon and last evening. The closing
for the smaller and intermediate grades was
in the afternoon and the high school ex-
ercises were held at night. The large
auditorium was taxed to capacity and
many who were anxious to witness the
entertainment had to stand during the
proceedings. The programme consisted
largely of musical selections by members
of the graduating class and also outside
numbers, including a solo by Miss Kath-
leen March and a piano solo by G.
Kenneth Robb.
A part of the programme was taken
up with the presentation of prizes and
the address of the evening was given by
Rev. F. S. Porter, who in eloquent
words portrayed to those going into the
world some of the things with which
they would have to contend. The fea-
ture of the programme was the presen-
tation to the school of a large picture
of each of the thirteen lads who were
killed in action during the war; some of
them had not finished their course but
left all for king and country. The pic-
tures were donated by E. A. Schofield,
mayor of St. John, and are to be hung
in the halls of the school. Much credit
is due Principal McIntosh and the staff
of teachers for the excellent work done
during the year.

BARNEY II. WON ALL IN CLASS

G. B. Taylor of North End, returned
last evening from Quebec, where he has
been exhibiting his champion Irish Set-
ter, "Barney II." Barney again showed
his quality by defeating all Irish Setter
dogs in the show, winning first open, first
winners and special for best Irish Setter.
This great dog will next be seen in
the ring in this city in September, and
as he is now a champion, will probably
complete for special only, leaving the
regular classes to dogs which are working
their way to championship. Barney II.
is a local production, having been bred
by Mrs. Tom McCullough of this city.

NEED OF MORE DRESSING ROOMS

Capacity at the North End
Swimming Scows is Early
Overtaxed.

The north end swimming scows are
daily attracting large crowds of swim-
mers, young and old and from pre-
sent indications the facilities will be in-
adequate to handle the large number desir-
ing to enjoy a dip. During the last
few days more than 200 have used the
dressing rooms, and many have had
long waits before they could be ac-
commodated. Yesterday some prominent
north end citizens visited the scows and
after boys and girls, ranging in years
from seven to seventeen, swimming
about remarked what a wonderful thing
it was to have a place where they could
be taught to swim. A home was ex-
pressed that Commissioner Bullock
would have one or more bath houses
erected on the site so that more people
could be accommodated. Mark Burns,
the popular swimming instructor, has
since this year taught many the art
of swimming and will also give lessons
in life saving.

ALL FAVORS THE SPORTS TODAY

Fine Weather and Good Pro-
gramme, Including Mara-
thon Race.

With such favorable weather, the rain
of last night having laid the dust and
the sun shining brightly today, the
marathon trial and field sports this
afternoon will prove a great attraction.
Muise, the Truro Indian, arrived this
morning. He will compete in the one
mile and an exhibition three miles. All
the marathon runners are here, as well
as the other competitors from outside
cities.
The last touches were being given to
the grounds this morning, watering and
rolling them so that they may be in as
good condition as possible. Commis-
sioner Prink went down last night and
arranged to give some assistance.
It has been decided to give a medal to
every man who finishes in the marathon
trial. There will also be an additional
medal, to go to the man who makes the
most points in the field sports.
The Automobile Association will provide
the cars needed in connection with
the marathon, the runners in which will
have their headquarters at the Y. M. C.
A., and will also endeavor to have the
sports close. The sports will start
on the East End grounds at half-past
two o'clock.

THE NEW PRELATES

Sketches of Priests to Whom
New Honors Have Come.

It was with great pleasure that friends
of Very Rev. J. Walsh, V. G. of Holy
Trinity Parish and Rev. J. M. O'Flaherty,
of St. Stephen, heard yesterday
their appointments as domestic prelates
to Pope Benedict. The appointment
is an honorary one and entitles the re-
cipients to wear a purple sash and
the right to wear violet soutane and
rochet. The congratulations of many
friends will be extended to the two
priests.

Right Rev. Mgr. Walsh was born in
West St. John on December 22, 1888.
He received his early education in the
public schools and later in the school
conducted by the Christian Brothers in
a little wooden building which stood in
the rear of the Cathedral. In September
1897 he went to the Grand Seminary in
Montreal, conducted by the priests of
St. Sulpice, where he took two and one-
half years course in philosophy and
three and a half years in theology. He
was ordained in the Seminary on De-
cember 29, 1892.

Father Walsh returned to St. John a
few days later and preached his first ser-
mon in the Cathedral on December 31,
1892. He was for a month stationed
with Father Connolly in Carleton Place,
Ontario, and returned to St. John in the
following year. In 1894, when Father
Oullette was appointed to Shedden
parish, Father Walsh became senior
priest at the Cathedral where he remained
until July 1899, when he was ap-
pointed in charge of Holy Trinity and has
ministered to the congregation of that
parish since that time, a devout and
scholarly priest revered and beloved by
all who know him.

He was appointed vicar general soon
after the death of Very Rev. W. F.
Chapman, V. G., which occurred in De-
cember, 1915.

Rt. Rev. Father O'Flaherty has been
a priest since July 1877. He is a son of
the late Dr. and Mrs. O'Flaherty of
Woodstock and was born in Houlton,
Maine, while his mother was visiting
there. He received his early education
in the schools in Woodstock, going to
St. Joseph's College when about twelve
years of age. He received the degree of
M. A. from St. Joseph's and completed
his religious education at the Quebec
Seminary, where he was ordained.

Coming to St. John he was stationed
at the Cathedral and was in charge of
the Hampton and Rousesay missions. He
later was stationed at West St. John as
assistant to the late Father Connolly and
in 1890 was appointed to the St. An-
drews parish. It was here that Father
O'Flaherty demonstrated his marked ex-
ecutive ability. He built a new church
and the Andrales Hall at St. Andrews,
as well as churches at the missions of
Rolling Dam and Fudge Ridge. He
succeeded the late Rev. T. S. Lavery at
St. Stephen in April 1919 and has been
stationed there ever since.
He is a very scholarly and devout
priest and is loved and esteemed by all
who are numbered among his acquain-
tances.

SAYS ALEXANDER MEANS TO CLING TO THRONE

Paris, June 25.—The Greek legation
yesterday denied reports that it was the
intention of King Alexander to abdi-
cate. The reports were characterized

Why Resist that Impulse To Buy a Couch Hammock?

You probably have heard of the Kansas farmer whose barn needed a
roof. When asked on a rainy day why he didn't have a roof put on, he'd
say: "How can I?" and on a fair day, "What's the use?" So the next
time you catch yourself saying, "Oh, for a Couch Hammock," simply obey
the impulse and get one.

We have some extra Comfy Hammocks just now with stand and
canopy, and the non-rustable springs, and in three schemes of coloring.
