AQUATIC.  
Sky Cops at the Races.  
New York, July 12.—The America's Cup races off Sandy Hook this month promises to solve the question of "Why are New York's sky cops?"

Ever since the police department's aviation division was formed, humorists have portrayed divers which might be but which never will be performed by the bluecoated aviators. Now, however, with giant ships racing, the "sky cops" find a task at hand—that of keeping the course free from aircraft.

During the trials between Shamrock IV and the twenty-three meter Shamrock, which have been held almost daily off the Jersey shore, airplanes have followed in the wake of the yachts like gulls. Judging from the interest taken in the trials by aeronauts, yachtsmen fear that the sky will be dark with planes on the days of the race.

It is almost certain that seaplanes and landplanes within flying distance of New York—and this is no mean distance—will buzz Hookwards when Shamrock IV meets Resolute. Even a dirigible now and then may be expected to stick its nose over the course. With development of aircraft during the war, yacht chasing promises to become a popular sport.

Indeed, planes are digging onto the business of tugs and launches which have always transported a great part of New York's population to Jersey waters on the days of the races. Owners of private planes are booking passengers at rates which make even the tugmen look agast.

Truth to tell, yachtsmen are becoming just a little worried. It is not that they fear so much a plane will crash down on the deck of racing craft as that they may cluster in such groups as to play pranks with the air and rob vigilant, wind-chasing skippers of an experi-

ence acquired through years. And it is right here that the "sky cops" may have their duty to perform. Direction of traffic at several thousand feet promises this year to be an interesting side-sight of the big show.

THE TURF.  
Races and Sports at Woodstock.  
A successful carnival was held in Woodstock yesterday. In the morning a large parade was arranged and in the afternoon baseball, horse racing and other sports were enjoyed. The business houses and offices of the town were gayly decorated with flags and bunting.

A ball game was won by the home team, which defeated Mars Hill, Maine. The horse races resulted as follows: 2:15 class, trot and pace, won by Peter Selter in straight heats; best time 2:14½. The 2:19 trot and pace went to Nero Bingen, three out of four heats; best time 2:16½. Togo M. won the 2:22 trot, three out of five heats; best time 2:19½. Alfred King captured the 2:21 mixed event in straight heats; best time 2:18½.

Grand Circuit Results.  
The opening of the grand circuit races at Toledo was featured by close and exciting finishes. Red Russell won the 2:15 trot, taking two out of three heats; best time 2:09½. The Port Maitland stake for \$500 was captured by Red Lancelotti in straight heats; best time 2:02½. The Sherwood 2:18 trot was won by Great Britton, two out of three heats; best time 2:06½. Princess Mary won the 2:12 pace in straight heats; best time 2:04½.

Today's Big Events.  
Toledo, O., July 13.—There are four races on today's Grand Circuit harness racing programme at the Port Maitland track. The fields are well filled and the track showed yesterday, at the opening, that it is fast.

Racing is scheduled to begin promptly at two o'clock. The day's programme consists of the 2:07 pace, for a purse of \$1,200, with eight starters; the Tecum-

seh 2:12 trot, for a purse of \$5,000, with twelve named; the 2:07 trot for \$1,200, with four in and the three year old pace for a purse of \$1,000 with six starters.

RICKARD GETS GARDEN.

LETTER FROM JIM SMART.  
The following letter was received from Jim Smart:

To the Sporting Editor of The Times:—Sir—I have been asked by some of the returned men to come to St. John and give an exhibition of wrestling and I would also be able to meet some of my old pals out of the 8th Brigade there. They were at the corps championship games over there that I took part in and won the Canadian light heavyweight

championship medal, ribbon and bar, the only one in Canada. I will be willing to take on any light heavyweight or heavy-weight man in St. John.

Thanking you very much, I remain, Yours truly,  
EX-SERGEANT JIM SMART,

POWER OF SPEECH  
IN BOWLING GAME**

Niagara-on-the-Lake, July 13.—To be cured of a serious impediment in his speech while at play was the happy sequel to shell-shock sustained by Trooper Hart during an action in France.

Trooper Hart was a member of the Deseronto Hospital Bowling Rink competing in a tournament here. At the beginning of play the trooper's words were almost indistinguishable, as they had ever since he was smitten in France. During a game with a rink skipped by Davie of Niagara some close play developed, and in the excitement of the moment Trooper Hart began to speak with absolute clearness and fluency.

The jubilant veteran returned to Toronto with his speech restored to normal.
