FOR WEDDING GIFT TO THE PRINCESS

To the People of New Brunswick: Lady Borden, wife of the Prime Minister of Canada, has asked me, together with the wives of all the Lieutenant-Governors throughout the Dominion, to bring to the attention of the public the matter of a national wedding-gift to Her Royal Highness the Princess Patricia of Connaught, upon the occasion of her marriage to Commander Ramsey, R. N., which is to take place on the 27th of February. During the period of the residence in Canada of His Royal Highness the Duke of Connaught, as Governor-General, he and his family greatly endeared themselves to our people, and it would seem fitting that the people of New Brunswick should join with those of the other provinces in the offering of a wedding-gift to Her Royal Highness Princess Patricia, as a testimonial of their appreciation and regard. It is desired that the fund should be made up of contributions from all who may wish to take part, in sums from the smallest up, so that the participation may be as widespread as possible. I shall be glad if the presidents of the various societies throughout the province will kindly take an active interest in the movement, and secure contributions from their respective localities, and I shall be pleased also to receive from them suggestions as to the form which the national wedding-gift shall take, as this is only to be decided after the women from the various provinces have expressed their views. R. S. Barker, Fredericton, secretary to the Lieutenant-Governor, will act as provincial treasurer of the fund, and the amount collected will be sent to the general treasurer, with the names of the contributors (but not the amounts given by individual subscribers, to be forwarded to the princess with the wedding-gift. The fund will close on February the 15th. Yours very truly, GEORGE PUGSLEY, St. John (N. B.), January twenty-third.

Soldiers Home Coming Campaign

As the Boys Come Home

YOU will meet your soldier boy and what a glorious time you and he will have. You will kill the proverbial "fatted calf" and make merry. You will see that he is comfortable until he settles down again into civilian life.

But what of the men who arrive at the same time with NO friend to greet them, no home to welcome them, no job to turn to? There's a problem you must face—or let the Salvation Army face it for you.

SALVATION ARMY MILLION DOLLAR FUND THIS WEEK

The Salvation Army fills the breach here at home, just as it did, and still does, over there! It holds out open arms to the soldiers, welcomes them, feeds them, furnishes clean beds and hot baths, comforts for body and soul, and stands by a man and his family until he is on his feet.

Canada must solve the problem of repatriating her soldier sons who have done their part so valiantly.

Apart from all obvious considerations of gratitude, it will pay us in dollars and cents to let the soldiers see we are standing firmly by them. To desert our men now the excitement of war is passed, would be to earn their just reproaches. Look at this appeal from all sides; ask any returned man about the work of the Salvation Army. Then help to make this campaign the success it deserves to be.

"They loved not their lives to the death"

Who provides beds and meals for soldiers close to Railway Stations? Who mended the soldiers' clothes over there? Who entertained hundreds of thousands of soldiers and sailors daily at the Huts? Who helped to keep the soldiers' homes here intact?

Who keeps in touch with the Homecoming soldier? Who provides the Emergency Homes and the Maternity Homes? Who has cared for thousands of war widows? THE SALVATION ARMY Shall their work stop for lack of funds?
