There, not being passed for France, he  
was retained in the Canada Pensions of-

such matters will be dealt with in the

"Many St. John friends will read the an-

all success.

OVER THE WIRES

Foreign Secretary Balfour told the  
House of Commons yesterday that no  
peace offers had been made recently by  
the enemy.

A rumor was current in parliament  
yesterday in London last evening that  
General Sir William R. Robertson, former  
chief of the imperial staff at headquar-  
ters, will succeed Field Marshal French  
as commander of the home forces.

A. D. McCain and L. W. Anderson,  
representing the Farmers' and Dairy-  
men's Association and the United Farm-  
ers, had an interview yesterday with  
Hon. F. B. Carver concerning the ex-  
emption of skilled farmers' sons. The  
delegation was told that no genuine  
farmers would be taken until after sec-  
ond time. He said that the young farm-  
ers would have to report to the Depot  
Headquarters when ordered and then could  
receive leave of absence until after sec-  
ond time.

Rev. J. A. MacGowan, of St. David's  
church, St. John, is to preach the U. N.  
B. baccalaureate sermon in St. Paul's  
church, Fredericton, on Sunday.

The Fredericton city council, in session  
last evening, increased the pay of the  
treasurer to \$75 a year—an increase of  
fifty per cent.

Michael O'Hagan and his wife, of Car-  
leton street, one of their children sev-  
erely injured and another slightly, as the  
result of a gas explosion in the cooking  
range. Mr. O'Hagan used a rapo-kopo.

They will regulate the flow of bile to  
act properly on the bowels, and will  
tone, renovate, and purify the liver, re-  
move every result of liver trouble from  
the temporary, but disagreeable bilious  
and sick headaches, to the severest forms  
of liver complaint.

They are gentle and easy-acting, do  
not gripe, sicken or weaken like the old-  
fashioned, nauseating, griping purga-  
tives.

Mrs. A. Kirk, 28 Yorkville avenue,  
Toronto, Ont., writes: "I have tried  
and tested Milburn's Laxa-Liver Pills,  
and have received good results, for  
which I am very thankful. I took them  
for liver trouble. I came out of the  
hospital on May 8th, last, after having  
had a serious operation which might  
have saved had I taken your pills  
sooner. I have given some of them to  
my sister for biliousness and sick head-  
aches, and she has found great relief. A lady  
who lives in my house has started to  
take them. I will do my best to re-  
commend them to all my friends."

direct on receipt of price by The T.  
Nihum Co., Limited, Toronto, Ont.

THE VIOLENT OFFENSIVE  
BY THE ENEMY IS A  
TOKEN OF DESPERATION

He would not waste his men by hun-  
dreds of thousands unless the condi-  
tions at home and his fear of coming  
defeat had made him desperate. And  
every attack fails unless it wins its ob-  
jective soon. Each next attack has less  
chance of success than the preceding, be-  
cause the best soldiers are being slaugh-  
tered and the morale of the armies is be-  
ing impaired.

## Two Splendid Things

One is plenty of open-  
air exercise.

If you can't get all of  
that you should, it's all  
the more important that  
you should have the  
other thing—and true rem-  
edy for a torpid liver and  
bowels that don't act  
freely and naturally.

Take one pill every night;  
more only when you're sure it's  
necessary.
