CITY CORNET BAND ADD TO THEIR LAURELS

Concert in Opera House in Celebration of Anniversary a Big Success—A Tribute From The Mayor
More tangible evidence of the success and public appreciation of a local organization and the efforts of those composing its personnel could scarcely have been asked than the highly representative and enthusiastic audience that filled the Opera House last night to hear the concert given by the City Cornet Band conducted by excellent local talent—in commemoration of their thirty-sixth anniversary. From the opening address by Mayor Frink, to the last strains of the National Anthem, the event was easily the most enjoyable of its kind that has been given in St. John for a long time. The programme was well arranged, excellently rendered and carried through in a manner that reflected very great credit on both management and performers.
He expressed great pleasure at having been invited to a brief reference to the history of the popular organization, telling of its activities in the past, its growth and its present status. He also mentioned the many services both in the city and elsewhere that the band has rendered in its history.
The band was accompanied by Miss Bertha Worden, whose work was most effective and highly appreciated.
At last night's concert the patrons received a supper was served. Miss and Mrs. Palsley will leave for their future home in Hampstead on the Elaine this morning. The bride's going away dress was blue broadcloth and a hat trimmed with gold. Many useful presents were received by the young people.

It was clearly evident that Director Waddington had perfect control over the men. It was equally clear, too, that the band members, to a man, had worked hard and faithfully, for by no means could such excellent results have been possible. The rendering of every solo, every duo, in point of time, expression and in other particular, left nothing to be desired, without a doubt, also true of full-strength work and accompaniments. The men presented a very neat appearance and the instruments looked as bright as new.
The singers were accompanied by Miss Bertha Worden, whose work was most effective and highly appreciated.

AMUSEMENTS FOR OURSELVES AND OTHERS
GEM.
It is not usual that a strong western drama with exciting incidents and interestingly unfolding plot is produced without a shot being fired or a blow struck, yet this is what has happened in "The Mystery of Lonely Gulch," the first frontier story shown in motion pictures at the Grand Theatre today. In this respect, and in the nature of the plot and its fulfillment, the picture is different from any western previously shown. An air of mystery is carried throughout the picture until the dramatic climax.
Four other splendid films are presented, "The Heart of a Clown," a story of the electric magnet, "A Comic Trick Picture," and "Edith's Avoirdupois," one of the best Vitagraph comedies of recent releases. It will especially appeal to stout people, but is humor will be pleasing to all.
The musical and singing programme will be well up to the standard, and a thoroughly good show is promised. A concert matinee on Saturday is promised.
"THE UNIQUE"
"A Trip to Pekin," showing the most interesting spots in China's capital will be given this evening. A comic trick picture, today and tomorrow. Gorgeously colored and photographed, this feature is an unusually interesting one. "A Buffalo Fight," is beautifully hand-painted and produced with the skill of the firm of Pathé and their staff. A dramatic "Max in the Alps," will depict that individual's many amusing experiences in the snow drifts, and a strong drama, "Outwitted," will close a programme the Unique boasts of.
F. Louise Tufts whose pleasant engagement is drawing to a close has a pretty and dainty Irish number. The photos taken Saturday afternoon turned out fine and all who attend the afternoon performance will be strong Irish numbers. The photos taken Saturday afternoon turned out fine and all who attend the afternoon performance will be strong Irish numbers.
THE LYRIC
The acrobatic and gymnastic performance by the Babberts at the Lyric Theatre is being appreciated as again last night the house was filled at each session by people who seemed to be delighted at their wonderful exhibition. On Thursday, Wednesday and Black will be seen in a big western comedy dramatic playlet, "The Bandit." The scene of this charming sketch is laid in the hills and plains so that the settings may be expected to be out of the ordinary. Miss Welford is the possessor of an elaborate wardrobe and full display some fine examples of the dressmaker's ability. A fine new lot of animated features, thrilling stories and dainty comedies will be shown today, a subject from the new firm of Nestor. "The Silver Plume Mine," being the leader. An interesting I. M. P. will be seen in the drama, "The Deciding Vote."

THE FALLS FATALITY
Developments last yesterday afternoon made it seem practically certain that the body which a woman passenger on the Montreal train yesterday reported seeing floating in the Reversing Falls was that of Robert Burns, caretaker of the Suspension Bridge. He had been working on the bridge, and it is feared fell from a platform and rolled down the steep river bank, eighty feet, into the water. It is thought the accident was due to the unsafe condition of the platform over which he had to pass.
Mr. Burns was about 65 years old, and is survived by his wife. It is feared she will not withstand the terrible shock. One son, George, of Montreal, and one daughter, Mrs. C. Tower, of Cranston Avenue, also survive.
MORNING LOCALS
Stephen Stevens, of Carleton, employed in Randolph & Baker's mill, was found yesterday lying in the basement of the mill with a bad scalp wound. He does not know how the accident occurred. Dr. Macfarland, of Fairville, dressed his wounds.
Mr. Deschamps-Vivement, of St. Pierre, Mig., who with his wife, is at the Dufferin, said yesterday that there was a great scarcity of fish around the place, and the fishermen were suffering from the serious conditions.
Mrs. Charles Paul, of Beaver Harbor, was found on Monday evening almost buried to death from a cause which is not known as yet. She was almost dead when found, and died about two hours later. Her husband was away from home at the time. Mrs. Paul was about fifty years old, and besides her husband, is survived by one son, Allen.
The annual meeting of the St. John Freeman's Mutual Relief Association took place in the hook and ladder rooms in King street east last night. The following officers were elected: President, G. G. Drake; vice-president, Oliver Thomson; chairman, E. D. Ring; treasurer, T. J. McDonald; secretary, W. S. Vaughan; trustees, John Kerr, W. H. Downman, C. H. Jackson, James Dinmore, F. Heans, F. Kee, H. McBeath.

WEDDINGS
Palsley-Lanney.
A very pretty wedding was solemnized at the home of A. Palsley, 107 Main street, last night, when Ernest Hartley Palsley, of Hampstead, was united in marriage to Cynthia Florence Lanney, of Gold Creek, Queens county. The bride was attired in a dress of cream satin with veil and train trimmings, and was attended by Miss Jean McKinlay, who wore a dress of man's veiling with blue trimmings. Rev. B. N. Nobles officiated. After the ceremony a supper was served. Mr. and Mrs. Palsley will leave for their future home in Hampstead on the Elaine this morning. The bride's going away dress was blue broadcloth and a hat trimmed with gold. Many useful presents were received by the young people.

HAD KIDNEY TROUBLE.
COULD NOT CROSS THE FLOOR PAIN WAS SO GREAT.
Miss Hazel Hess, Winchester Springs, Ont., writes—"I was troubled with my kidneys for five years. They were so bad, at times, I could not cross the floor for the pain. The doctor could not do any good, and a friend advised me to use Doan's Kidney Pills. I bought six boxes and now I have been cured for over four years, with the minister of rail ways relative to the results of the last season's work. He says that surveys of the road are now complete.

Her Face and Body Were Utterly Covered With "BOILS."
Burdock Blood Bitters Cured Them.
Mrs. John H. King, Johnston, N.B., writes—"Last summer I was very much troubled with boils, and my face and body were literally covered with them. A friend advised me to take Burdock Blood Bitters. I got three bottles, and before I had taken all the first one my boils began to go away. I had just taken a few doses out of the last one when they all disappeared. My husband has also used Burdock Blood Bitters, and much benefited.
Boils in themselves are not a danger. Our troubles, but still, at the same time, are very painful. They are caused entirely by bad blood, and to be rid of them it is necessary to get the blood in good condition. For this purpose there is nothing so equal that old and tried remedy, Burdock Blood Bitters.

THE STAR
No class of picture play, book story or real drama clinches the unalloyed interest like those of Russian intrigue and political excitement. Tonight at the Star Theatre, North End, the stirring story "From Tyranny to Liberty" will be put on a tale in which Mlle. Pilee-Moria, the famous French pantomimist, takes a leading role. There will also be a fine war story of the American civil struggle entitled "Two Boys in Blue" and a couple of side-splitting comedies, "Who's Who?" or "The Boxer and the Pastor" and "Where is My Purse?" a screen from start to finish. Corinne Nevin will be heard in a new song.
Dan McDonald of Cape Breton won the swimming bout from Young Gutch, of Philadelphia, in Marysville last evening. McDonald threw the American twice inside of 48 minutes.
