Dear Sir:

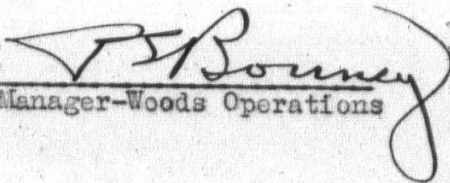

We are enclosing by registered mail our sealed tender for Katit timber which we have prepared in accordance with your published notice dated February 7th.

On account of delayed mail service we only received your notice to-day and we trust our tender will arrive in Ottawa for consideration at noon on March 6th, 1935. We telegraphed you to-day as per attached confirmation so that we may file notice in the event that unforeseen delays in mail service occur.

We note in Section 11 of your timber regulations that all timber licences expire on the 30th day of April and in the event our tender is accepted we hereby request that you either date our licence May 1, 1935 or accept our application for renewal.

Yours truly,
