Notice to Contractors.

Office of the Chief Engineer of Railways, St. John, 20th Nov. 1856. SEALED TENDERS will be received at the Engineer's Office of the European and North American Railway, until Saturday the 20th day of December next, for the Orading and Masonry of that portion of the Railway between the Third Mile Stake and the Nine Mile House, including the heavy Rock cuttings near Lawlor's Lake.

By way of facilitating the conveyance of Materials and Workmen, to these Sections, the Government will forthwith complete the partially finished portion of the Railway between St. John and the third mile Stake.

Tenders may be made for the Entire Work, or it will be divided into sections to suit Contractors. The Government reserving the right to adopt whichever mode may appear the most advantageous, and of rejecting any Tender not deemed satisfactory

Tenders must be accompanied with names of Tenders must be accompanied to Tenders Tenders

Tenders must be accompanied with names of sufficent surcties, or satisfactory evidence of competency to perform the proposed work.

Plans, Specifications and Forms of Tender and Contract may be seen, and the time for completing the work, and all other information obtained, at the Engineer's Office, in Wiggins' Buildings, in this City, on and after the 24th inst.

ALEX. L. LIGHT, Chief Engineer of Railways.

E. D. SPEAR, INDIAN DOCTOR,

THE great success which has ever attended the indian Practice of Medicine, as perfected by E. D. SPEAR. M. D. excites envy in the hearts of the many advocates of Mercury. Many of his remedies, as the public have already learned from newspapers of the day, are prepared from recipes which are believed to have originally been received from the ladians one hundred and seventy five years ago. No other remedies deserve the name of Indian.
