

To the Electors of the County of Charlotte.

GENTLEMEN.—I have been induced by many considerations to present myself for election to the local Legislature, as one of the Representatives of this County.

I have resided for 25 years in the County, and am not unknown to you as a public capitalist, and I do not wish to be understood that my recent connection with the St. Stephen Branch Railroad Company, (as Contractor,) in any way identifies me with that section of the County in particular.

My political policy will be—  
To maintain the Constitution under the Act of Union.

To use whatever influence the Local Legislature may possess in supporting the Intercolonial Railway by the Provincial Route.

To advocate an improved system of Education, in accordance with the well understood wishes of a majority of the people.

As a Farmer, I will of course give my best attention to the advancement of the Agricultural interest.

The Fisheries will also have my warmest support.

Commerce, Lumbering interests, and other Industrial pursuits, will find in me, a strenuous and untiring advocate.

Should I have the honor to be elected, I will prove myself.

Your faithful and humble servant,  
NATHAN SMITH.

September 2, 1867.

To the Electors of the County of Charlotte.

GENTLEMEN.—You will doubtless have been called upon to exercise your prerogative in the selection of two persons to supply the vacancies in the representation of this County in the Local Legislature, occasioned by the elevation of Messrs. Stevens and Chandler to the House.

From the many solicitations and gratifying assurances of support received from all parts of the County, I am induced to place myself at your disposal.

The altered condition in the political relations of this Province under the act of Union, calls loudly for the strictest examination in the management of its fiscal affairs.

The resources of the County left to our own control, if properly directed and developed should amply materialize to our ability in granting greater encouragement to its industrial and commercial pursuits.

The importance of a thorough revision in the educational system of the Province, is generally acknowledged, and that a more enlarged, liberal, and progressive policy should be adopted.

Should I be honored by your choice, you may rely upon my unflinching exertions being faithfully directed toward the promotion of those objects and your interests generally.

I am, Gentlemen,  
Your most obedient servant,  
WM. I. ROSE.

St. Stephen, Sep. 3, 1867.

To the Electors of Charlotte County.

GENTLEMEN.—At the urgent request of a great many of the voters and voting men from every part of the County, I am induced to offer my services to represent your interests in the Local Legislature. Two members have been elected to fill the seats vacated by Messrs. Stevens and Chandler, who have played their game on the political chess board, and you, gentlemen, I wish to distinctly understand that I am now, as I have ever been, the Candidate of the working men. Independent and free from all party bias, I care not that they are at all, but I care that they are at all, and I think for myself, that in politics and other matters concerning the interests of the working class, and that I shall always do, in spite of the few men in St. Stephen who presume to rule the whole County. I am not the nominee of a few designing men who wish to push their own selfish interests, but I am the Candidate of the independent working men who have dared to shake off the shackles that have hitherto bound them, and who dare show the world that they are not cowards, and will not be political slaves. I will, as I have always done, stand by them in all matters of progress and reform, until, like our brethren in England, we gain our objects, POLITICAL EQUALITY. Too long have one class of men ruled and governed us—Too long have they at themselves above us, treating us with scorn, except at election times, when they want our votes; then their hypocrisy knows no bounds, but, thank God, we can see through them, and understand their motives.

Then, working men of Charlotte, rally in your strength! Let us stand shoulder to shoulder in this contest, and there will be such a shaking of dry bones amongst the would-be rulers, that they will almost cry for the manumission of the poor. Let us teach these few men that the black Parlor is not all power, although backed up by greenbacks. Let us tell these men at the polls that we have met among us who are their equals, and that their sneers, looks in ability and brains, though the greenbacks may be wanting, but this want may be supplied by fearless independence on Election day.

With reference to the Intercolonial Railway—the Frontier route will have my warmest support. At the hustings I will explain fully my views on this important matter.

Now, my friends, I would much rather that you would choose from amongst yourselves some intelligent honest working man, whom you can trust, to represent you, and I will give him my support, for at this season of the year I will not be able to visit you at your different localities. Like yourselves I must attend to my work, but as most of you know me, this should not make much difference, as I will meet you on no occasion except at St. Andrews when I hope to have the pleasure of addressing you, and if elected, will serve you fearlessly, honestly and faithfully to the best of my ability.

Respectfully yours, &c.,  
JOSEPH DONALD.

St. Stephen, Sept. 4, 1867.

Boracoe, Aug. 5, 1867.

To the Electors of the County of Charlotte.

GENTLEMEN.—In accordance with the wishes of a large number of my friends in the Eastern and other sections of the County, I am induced to come forward at the ensuing Election, as a Candidate for the representation of Charlotte County, in the Commons House of Parliament, of the Dominion of Canada.

Agriculture, the Fisheries, Shipbuilding and Commerce, will receive from me the attention which such important matters require.

The Intercolonial Railway, connecting Canada with the Passamaquoddy Bay, (which is open at all seasons) by the St. Andrew & Quebec line—the shortest, cheapest, and most beneficial for the TRADE OF CANADA with the Lower Provinces,—will have my strongest support, as will all matters having a tendency to develop the resources of the Dominion, and this Province and County in particular; and keeping up the strong tie of Loyalty, love and affection for the Mother Country, for which New Brunswick has ever been famed.

I am, Gentlemen,  
Your most respectful,  
ROBERT THOMSON.

St. George, N. B., Aug. 28, 1867.

To the Electors of the County of Charlotte.

GENTLEMEN.—In compliance with the flattering Requisitions, and personal solicitations that have been tendered me, I go to offer myself as a Candidate for the representation of Charlotte County, in the House of Commons.

Strong in the belief, that in Union, we shall soon realize the benefits which its promoters predicted, my best efforts shall ever be given, to lead, to aid in developing our national resources, in extending commerce, in encouraging industrial interests, and in affording facilities for the settlement of our country with an educated and prosperous population.

To the Government as at present constituted, I shall yield a candid support, until by their policy, or want of policy, they prove to be unworthy of it.

Convinced that the commercial and financial interests of the Dominion, demand the Intercolonial Railway should be built on the shortest, least expensive, and most practicable route, I shall most persistently urge the adoption of the Western route, as possessing the advantages named. I shall be ever ready to oppose extravagance in any form, emanate where it may.

To promote the interests of our Province, and the general prosperity of our common country, shall be my constant aim.

I am, Gentlemen,  
Your Obedt. Servt.  
JOHN BOLTON.
