

Q-126 Did you pass your entrance?

A- I was in the room, senior entrance, two years, and I did pass my entrance.

Q-127 Do you know what date your reboard was ordered?

A- Which reboard would that be, sir?

Q-128 I understood you were up for reboard?

A- I didn't know anything about that, sir.

---BY THE PRESIDENT:

Q-129 Did you like the Army?

A- Sir, when I joined the Army I liked it fine, sir.

Q-130 Was there anything came up after you joined the Army that made you feel that you had to get away for a time?

A- No, sir, it wasn't that. It just seems that I couldn't bring myself -- I liked it and I had nothing against the Army. It was just anything I went at, sir, anything, even no matter how much I liked it. It was like when I first started to play pool in the pool-room. I just went so excited over it for two or three days or so, and the next thing I would never touch it again; never cared for it. When I got in the Army I liked the boys around and really wanted to soldier, but the next thing I knew I was away A.W.L. After I was away I was sorry I had been away, and would come back and try to soldier again. My Colonel and officer all gave me lots of breaks, talked to me and asked me to stay. I tried, and yet I would just go away again.

Q-131 In other words, you feel that it is something that draws you away that you have no control over yourself, is that it?

A- Yes, sir; it just seems that something drives me on -- just the way I am -- that is all, sir.
