FRENCH POLICY ATTACKED. Senator Accuses Government of Playing Into Hands of Great Britain

Paris, Nov. 20.-Senator de Villaine created a sensation in the Senate to-day by making a vicious attack on the foreign and interior policy of the government. He charged the governmen with playing into the hands of Great | PRIEST ARRESTED AND Britain, and demanded to know whether the report was true that a military convention had been planned between Great Britain and France as prelude to the great adventure in which Foreign Minister Pichon and War Minister Picquart had embarked with Pre-

mier Clemenceau.

Premier Clemenceau, after defending M. Pichon and General Picquart, announced he could not say anything regarding the Franco-British under standing, but stated that he did not believe a military convention existed.

The Senate rejected the interpellation, 213 to 32, and voted confidence in
