## RHEUMATISM.

Never before has there existed a remedy as unfailingly successful in rheumatic affections as MOTHER SEIGEL'S CURATIVE SYRUP. It lubricates the joints, promotes the secretions of the fluids necessary to remove the stiffness of the muscles, removes hardened deposits in the joints, greases the machinery of Nature, and makes it move easily. One or two bottles of the CURATIVE SYRUP will do more than a hog-head of liniments, for it carries out of the circulation the acrid humours in the blood upon which rheumatism depends, removes inflammation, soreness, and stiffness of the muscles. A short trial will convince the most discouraged that it is all that is claimed for it.
