CHATHAM, N. B., - - - OCTOBER 8, 1885.

Concerning "Smith."

"Gentlemen," said a candidate for Congress, "my name is Smith, and I am proud to say that I am not ashamed of it. It may be that no person in this crowd owns that very uncommon name. If, however, there be one such let him hold up his head, pull up his dicky, turn out his toes, take courage, and thank his stars that there are a few more left of the same sort. Smith, gentlemen, is an illustrious name. And stands ever high in the annals of fame. Let White, Brown, and Jones increase as they will.

Believe me that Smith will outnumber them still.

The report that the Marquis of Salisbury had indicated negotiations looking to the restoration of the status quo in Roumania is confirmed.

### GENERAL NOTES AND NEWS

There has been a downfall of 12 inches of rain at Jacksonville, Fla., within 96 hours.

The militia have been called out in Arizona in consequence of the hostile attitude of the Indians.

### A Sad Case.

The poor victim of Chronic Dyspepsia apparently suffers all the time of his life in continual torture. He is the liver and the bowels and the stomach with Burdock Blood Bitters and the typic trouble is gone.

Two men, charged with taking part in the Montreal riot, have been sentenced to 4 months imprisonment.

### A Certain Result.

In all disturbed action of the Stomach, the Bowels, the Liver or the Kidneys the result of taking Burdock Blood Bitters is certain to afford prompt benefit to the sufferer. Burdock Blood Bitters cure when other remedies fail.

Series ravages by hog cholera are reported from Stanton, Va. In some neighbourhoods every hog is dead.

It is estimated that there has been a decrease of about \$12,000,000 in the United States public debt during September.

### A Sure Indication.

Whenever there are festering sores, blotches, pimples and boils appearing, it indicates an extremely bad condition of the blood which should be speedily cleansed by that best of all medicines Burdock Blood Bitters.

An American gentleman has offered \$20,000 for the Genesee, but this has been refused by the Puritan sold for \$15,000.

The C. F. R. is reported to be trying to raise money to build a bridge across the St. Lawrence and buy the Portland and Ogdensburg Railway.

### Fatal Attacks.

Among the most prevalent fatal and sudden attacks of disease, are those incident to the Summer and Fall, such as Cholera Morbus, Bilious Colic, Diarrhoea, Dysentery, etc., that often prove fatal in a few hours. That ever reliable remedy Dr. Fowler's Extract of Wild Strawberry should be at hand, for use in emergency.

Inducements are being offered to Beach, the Australian oarsman, to go to the United States and row Hainan for the Championship of the world. It is thought that match will be made.

### Highest Praise.

The well-known drug firm of N. C. Polson & Co., of Kingston, writes that Dr. Fowler's Extract of Wild Strawberry has long been considered the best remedy for Summer complaints in the market, and adds that their customers speak in the highest terms of its merits. Wild Strawberry is the best known remedy for Cholera Morbus, Dysentery and all bowel complaints.

A counterfeited mineral spring in Austria worked more cures than any of the natural ones, but the men who put up the job were imprisoned for ten years each. It makes a man mad to fool him.

### A Speedy Cure.

As a speedy cure for Dysentery, Cholera Morbus, Diarrhoea, Colic, Cramps, Sick Stomach, Canker of the Stomach, and Bowels, and all forms of Summer Complaints, there is no remedy more reliable than Dr. Fowler's Extract of Wild Strawberry. Dealers who sell it and those who buy it are on mutual grounds of confidence of its merits.

It is said by a New York society woman that New York contains more pretty women, and at the same time more homely ones, than any city in the world. We never heard anybody dispute her last assertion.

### Loss and Gain

CHARLES I.  
"I was taken sick a year ago  
With bilious fever."  
"My doctor pronounced me cured, but I got sick again with terrible pains in my back and side and I got so bad I could not move!"  
I shrunk  
From 225 lbs. to 120! I had been doctored for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system assumed new vigor, and I am not only as sound as a rovership but weigh more than I did before. To Hop Bitters I owe my life."  
Dublin, June 6, '81. R. FITZPATRICK.  
How to GET SICK—Expose yourself day and night, eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know how to get well, which is answered in three words—Take Hop Bitters!

The Florida man who poisoned several of his watermelons in hopes to lay out half a dozen thieves feels real sorry that his wife and three children became the victims of death. It never occurred to him to warn them.

Pain from indigestion, dyspepsia, and too hearty eating is relieved at once by taking one of Carter's Little Liver Pills immediately after dinner. Don't forget this.

A Schoolmaster man lost \$10,000 in his will "for the worthy poor." This was ten years ago, and the agent had's passed out a dollar yet. Whenever he has found

a worthy poor man the individual wasn't in need of charity.

There is no one article in the line of medicine that gives so large a return for the money as a good purgative strengthening plaster, such as Carter's Smart Weed and Bileadonna Backache Plaster.

It has been conclusively shown that men won't argue or fight near as quick in cold weather as in warm. The reason must be that they are in a hurry to get home and punch up the old coal stove before the fire goes out.

Baird's French Ointment is an excellent article for any kind of Humor, such as Salt Rheum, Pimples, Itch, and a sure cure for the Itch. It quickly heals obstinate Sores and Ulcers, &c. Sold by all Dealers.

Says the watermelon editor of the Atlanta Constitution: "In a general way, a dark green melon is known to belong to the poorest variety. The striped (or ratiolamka) melon, and the pale green variety stand at the head of the list. It ought to be known, too, that a melon kept on ice more than five hours begins to deteriorate.

Children naturally object to nauseous medicines. When troubled with Worms they often suffer for want of a sound sleep and their food does not seem to nourish them, give promptly Mallory's Vegetable Syrup.

Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites.

Messrs. Ramsey & Co., of Sharpburg, Pa., make the following report: "That they recommended a friend suffering from loss of appetite and general debility, Scott's Emulsion, that after taking his dose bottles, he reported, that he ate well, took his food, and in fact a new man, and recommends highly."
