MESSENGER AND VISITOR.

News Summary. e people of Fredericton will vote on al of the Scott Act on the 12th of Wm. Stead, of Wheatly River, arge white swan in his field on

hhot a large white owan in his field on last Workereday. —The Haifas Giy, Council have voted to contract for a granite-fased dook of at least 580 feet in length, 100 in width, and 30 feet doph of water. To the Halfas Graving Dock Conpany, which will build the dock, it surgrees to pay 40,000 a year for twenty years. —At a meeting of the Scowmen's Union, held on Wednesday evening last; it was recolved I at their standing wages be \$2 per day, to come in force Saturday the 17th matant.

Edward Island opened in Charlottetown on Wednesday Hast. —Morrison's saw mill, below Frederiston, was hurned on the avening of the 13... The fire, which caught from a spark from the chimney. destroyed twelve temement houses, a large boarding house, and about 2,000,000 feet of lumber on which there was no insurance. There was \$30,000 in surance on the mill, which with the mic-hinery, Mr. Morrison valued at \$40,000. Thirteen families are turned out and 110 me left whost employment. This is labe third time that Mr. Morrison has been burned out. tested against the decision of a sadors on the Roumelian question and has commenced military operations against Bulgaria. A large force of Servian troops crossed the Bulgarian frontier from Nissa the dock vesterday afternoon. has in-

hind time that Mr. Morrison has been burned out. —A talegram was received at Ottawa, on the 14th, from Lieut Gordon, R. N., commander of the Hudson Bay expedition tesmer 24 derf, which was sent out has spring to bring back observers who had been left on the shores of the bay the pre-vious year, and to leave other observers. He had visited all the stations. One, Mr. Stupent's, was destitute, but learned that he observer was as feations. Une, Mr. Stupent's, was destitute, but learned that he observer was as featings, of Halifax, one of the Statern hands, died of seury last June. The other were well. —The government steamer Napoleon for the people of Labrador. It is said the faberier have proved almost an entire failure, and there is much want and suffer-ing. Tageitawis mill near the worth

ports that a revolt at that place was head-ed by ex-Minister Laroche. The party was repulsed and two were killed and one

ed by ex-Minister Laroche. The party was repulsed and two were killed and one wonnded. —The United States revenue cutter Corwis, recently arrived at 5as Francisco, had about 100 members of crews of wrecked Arctic whaters. —The Western Express on the Pa. Rail-way, on Susday night, ran into an emigrast train. A car took fire and many were injured. Eight bodies were taken out. —A Bedford, Pa., despatch asys that in extens ve woods near that place, panthers have often of late been heard. The other evening Philip Swartwelder was retars-ing home on late been heard. The other evening Philip Swartwelder was retars-ing home on horzeback by this road from Chaneyaville, and just as he passed a parti-cular rocky part of the woods a large pas-ther sprang into the road and attacked him. The ferocious beast leaged upon the horse and claved Swartwelder terrfbly, tearing is cost and pantaloons. From the shoulder down the side along the leg, and lacerating is leg from the him nearly to the knee. The indire recope. — It is axid that the recent experiment in the Indian Territory of taking Iodians into U. S. Service as soldiers, has proved so suifsactory that effort will be made to organice a regiment of them. — Areasition was caused on the New York Stock Exchange by the report that the Prince of Wales had entered into⁸

a regiment of them. ensation was caused on the New ock Exchange by the report that ince of Wales had entered into⁶ a speculation and purchased 500,-

uvu tarrels of oll. —Destructive prairie fires have been raging in Dakota for two days. H. B. Greenly lost 220 head or sheep yesterday, the fire cuting them off from escape. —Cardinal McCloaky is dead. It is rumored that Archibishop Tascherean is to succeed him.

Matriages.
