Housebreaking. Some person unknown has gone, within a few days, through Bayard's Building, Prince William street. A number of the offices in the building have been broken into and rifled of their contents. No. very valuable articles have been taken, though most all the offices are minus comething. From one office a revolver was taken, the thief considerately taking only one of the pair that were together. The Chief of Police was called and is in vestigating the affair. The lawyers and others are now securing their doors with extra locks.

SULP-INE strikes at the roo of numerous diseases, by destroying the germs which enter the system along with the food we ent, the beverages we drink, and the air we breathe.

SULP-INE strikes at the roo of numerous diseases, by destroying the germs, or animated ells, which are carried by the circulation to every part of t e system; and which propagate with amazing rapidity: it renders all the secretions healthy.

SULPHINE also stops formentation and prevents putr fiction: it is a powerfu disinfectant, and arrests the progress of all epidemics and contagious disorders. It is a tagonist to cholera, typhus, mensles, scarlet fever, small-pox and all Zymotic diseases.

SULPHINE by regulating the fermentation of the food in the digestive organs, is an immediate cure for fit tulence and indigestion. It is a specific for chronic dyspensia, and strikes at the root of all those evils which follow in its train head che, heartburn, nausea, constipation, defined to become properly dissolved by the gastric luice.
