WAR NOTICE A Metcalfe farmer reports that timothy hay in his neighborhood reached the remarkable height of six feet, and the yield was four or five whopping big loads to the acre. Some harvest this year, in old Middlesex!

big loads to the acre. Some harvest this year, in old Middlesex!

The "B" on oat leaves, which has been reported from various districts, is also to be found on the oats here. As a far as this district is concerned the "B" stauds for "bumper" in big letters, as the farmers are busy saving one of the finest harvests in years. Some of the fields of wheat will yield as high as 50 bushels, and many will run from 30 to 35. The splendid hay crop is just about all cut. Farmers are well satisfied with the prospects generally.

Two half-breeds, accused of stealing several articles from Alex. C. McDonaid's cellar near Muncey, were to have had their trial before Police Magistrate McKenzine this week, but the charge was not pressed on their making restitution. An assault charge, in which the offence was striking a citizen in the court room at Glencoe at the close of a recent trial, was acknowledged by the accused before the magistrate, who imposed a fine of \$5 and costs.
