BETHEL-METCALFE.

The ladies of the Bethel Red Cross had a very successful garden party on June 15; and for the benefit of those interested we publish the following statement:—The proceeds of the evening were \$201.00. The lucky ticket (No. 40) for the Red Cross automobile quilt was held by Mrs. Annie Henry, and was drawn from a tin box that contained 207 tickets, by the chairman, Geo. Elliot, M. P., Parkhill. All were

delighted that Mrs. Henry was the lucky contestant, as she has lived in this vicinity for the past 35 years and has always been a great helper, both to the church and all social gatherings.

The total amount realized for the quilt, both for names thereon and selling, was \$105.42. The ladies wish to thank Mr. McAlpine and his family for the use of their piano, house and lawn, also for the help otherwise that they so cheerfully rendered. Also Mr. Stephenson, of Appin, for his lumber.

Meet your friends at the Tait's Corners garden party Friday night.

The regular monthly meeting of the Women's Institute will be held Thursday, 29th June, at the home of Mrs. John Innes, Appin. All members and those interested in patriotic or Red Cross work are requested (as a matter of duty) to be present that afternoon at 2:30 o'clock. Arrangements have also been made for the summer meeting of the W. I. to be held here 30th July.—J. A. Macraut, secretary.

A pleasant surprise was arranged for one of the local boys in khaki, Harold McAlpine. Friends numbering about twenty-five met at the residence of his father, D. E. McAlpine, to have a social evening. At the opportune time he was called to the floor and presented with an aluminum wrist watch. He thanked the donors for the kindly expression, and hoped to live many years to enjoy their gift.

Anniversary services were held in North Eglinton Presbyterian church on Sunday, June 11, conducted by Rev. G. Lloyd, of Chalmers church. A delightful day brought large crowds of men, women and children, and the church capacity being unable to accommodate the people assembled. The services of Mr. Lloyd were much appreciated. On Monday evening the church's annual garden party was held on the church grounds, and it was the first "ideal" garden party summer evening of the season. An excellent program was given by Toronto entertainers.

The Ladies Aid took the opportunity of selling an autograph quilt at 10 cents a ticket, each ticket bearing a number. Miss Lizzie Down bought the lucky ticket, No. 8, for 101c.

The sale of the quilt, for the Western University hospital unit. In addition to the above a Canadian soldier, who is a prisoner in Germany, is being maintained at a cost of \$4 per month. \$20 has been sent to the Western University hospital unit. In order to purchase material for the above supplies \$300 was raised in the following manner:—tea, subscriptions, concerts and sale of pins. Owing to the heavy demands being made on the finances of the Circle this money has all been expended, and the Circle, in anticipation of the urgent calls that will be made for material owing to the enormous casualties of the recent battles, have been compelled to raise more money.

At a recent meeting, owing to the success of the former canvass, it was decided to again appeal to the generosity of the people. Consequently collectors will call upon those in their allotted districts in the next few days. Remember, every name on the honor roll means more work for the Red Cross.

The Circle takes this opportunity of publicly thanking all those who have taken a kindly interest in this work and anticipates that this appeal will meet with the same generous response as those of former occasions.—Rev. Jas. Malcolm, president.

Certain morbid conditions must exist in the stomach and intestines to encourage worms, and they will exist as long as these morbid conditions permit them to. To be rid of them and spare the child suffering, use Miller's Worm Powders. They will correct the digestive irregularities by destroying the worms, conditions favorable to worms will disappear, and the child will have no more suffering from that cause.

On Saturday evening Cecil Osier, assisted by Roy Turner, favored the boys with excellent music. Roy is an expert on the organ and Cecil's accompaniment on the guitar caused the boys to trip the fantastic.

We are pleased to learn that Miss Winnifred Morris has been re-engaged by the trustees, S. S. No. 10 for 1916 at an increased salary, as Miss Morris has proven herself to be an efficient teacher.

Miss Budah Sullivan, of Inwood, visited at the home of her parents, Mr. and Mrs. Fred Sullivan, on Sunday.

A quiet wedding was performed at the home of Richard Burr, when his second daughter, Miss Isabella, was united in matrimony to Alex. Munroe, an esteemed and well-to-do farmer residing in the vicinity. The ceremony was performed by her pastor, Rev. M. Craig, of Bothwell, at 12 noon, Wednesday, June 14th. The bride looked charming, dressed in a suit of white silk voile and hat to correspond. After partaking of refreshments, the happy couple departed for Alvinston, where they boarded the M. C. R. and left for a trip East.

'Tis A MARVELLOUS THING.—When the cures effected by Dr. Thomas' Electric Oil are considered, the speedy and permanent relief it has brought to the suffering wherever it has been used, it must be regarded as a marvelous thing that so potent a medicine should result from the six simple ingredients which enter its composition. A trial will convince the most skeptical of its healing virtues.
