

\$5.00 for \$4.00
and each Dollar
worth more

**GROWING!
GROWING!
GROWING!**

What is \$4.00 today? It is a question of purchasing power. What will \$4.00 buy at present prices? Just over one third of a barrel of flour. Before the war flour was selling at \$5.00 a barrel.

No one can say just how much more the purchasing power of the dollar will be in 1924, but you can see that the four dollars you put into War-Savings Stamps now, will grow, not only in number, but in value.

Your investment in War-Savings Stamps is like the snowball rolling down a slope. You give it a start and it grows by itself!

Your four dollars becomes five, and every dollar will be worth more.

Whether you buy one W-S-S. each day, or each week, or each month, or only two or three in a year, your money is growing, growing, GROWING all the time.

Those who cannot invest \$4.00 at a time, can buy Thrift Stamps at 25 cents each. Sixteen of these on a Thrift Card will be accepted as \$4.00 in exchange for a W-S-S.

W-S-S. are sold wherever you see this sign.
Thrift Stamps are sold at above places, and by patriotic storekeepers.

Try Magnesia For Your Stomach Trouble

Neuralgia Stomach Acidity. Prevents Food Fermentation.

Doubtless, if you are a sufferer from indigestion, you have already tried, perhaps, bicarbonate of soda, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic, just try the effect of a little magnesia—not the ordinary carbonate, citrate, oxide or milk but the pure bisulphate of magnesia which you can obtain from practically any druggist in either powdered or tablet form. Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in your stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy lumpy feeling that seems to follow most everything you eat.

You will find that, provided you take a little bisulphate of magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort. Follow and moreover the continued use of the bisulphate of magnesia cannot injure the stomach in any way so long as symptoms of acid

and left wings, have sunk political differences in one patriotic determination to examine Bolshevism, and enable Russia to express its free will. What these representative Russians want is substantially as follows:

"Firstly, a pronouncement by the allies that Bolshevism must be placed outside the pale of society; secondly, that material assistance in the way of munitions, rifles and tanks for Russia's own army, which numbers a quarter of a million, under Admiral Kolchak and a similar number under Gen. Denikin, who has joined forces with Gen. Krasnov on the Don, and thirdly, a small allied detachment should be brought from the Black Sea into the Ukraine to maintain order during the sowing of the crops.

The military plan would be for Admiral Kolchak to join forces with Gen. Denikin and when that is accomplished the collapse of Bolshevism would be a matter of a few weeks. When Admiral Kolchak had effected a junction with the otheroyal armies of the north his plan would be to move immediately towards Tsaritsin, which is an important strategic center. When this place is captured the communications between the north and south will have been completely severed.

CHARITONOFF WILL EVIDENTLY NOT FACE NEW TRIAL

WINNIPEG, Jan. 16.—On instructions from the department of justice in Ottawa to-day proceedings were stayed in the case of Michael Charitonoff, charged with having banned literature in his possession.

Charitonoff was formerly editor of the banned Bolshevik weekly, *Ribochy Harod*, in Winnipeg. He was sentenced on October 14 last in the Winnipeg police court, to three months' imprisonment and a fine of \$1,000.

Write Obtained. A new trial was refused and the Winnipeg Trades and Labor Council obtained for Charitonoff a writ of

habeas corpus and obtained from the Court of Appeal an order for a new hearing of the case before Magistrate MacDonald.

The case has been adjourned several times, awaiting instructions from Ottawa. To-day, on receipt of the instructions, the crown prosecutor entered a stay of proceedings.

The Trades and Labor Council states that this is a test case. Their success in this appeal means, thinks Secretary Ernest Robinson, that labor will be able to demand the release of all political prisoners in Canada.

The general expectation is that one of the first decisions of the peace conference will be to constitute a committee to examine the various projects as to a league of nations and to report with the least possible delay.

Scout News. The Boy Scouts met at 7.30 p.m. last evening, at St. Andrews Church for their regular meeting, 40 answered the roll call and then the usual work was taken up. Two new Scouts were initiated and ten passed the test enabling them to become "Tenderfeet." The Scoutmaster gave a short talk on The Little White Slave, the cigarette, showing why boys should leave it alone.

Next Thursday Scouts are requested to be at the Benton St. Baptist Church where a program of Athletic Sports will be provided. The troop is increasing and hope by summer to have a well organized troop of first class Scouts.

Attended Funeral. Mrs. C. Koehler, city, and Mr. G. Schmitt, Waterloo have returned from Guelph after attending the funeral of their nephew, Lorne Meier, son of Mr. Sidney Meier, Captain of the Guelph fire department, and of Mrs. Meier. His death took place on Tuesday evening at the General Hospital, Guelph. His age was 11 years. The little fellow had been ill for quite a time, and his death was not unexpected. He was a member of Norfolk St. Methodist Sunday school, and was a favorite with all who knew him, and his death will be greatly regretted. The funeral took place at 2 o'clock yesterday afternoon from his parents' residence, 9 Cork street, to the Union cemetery, Guelph, the service being conducted by Rev. E.A. Pearson. The pallbearers were members of the Sunday school class to which Lorne belonged.

Canadians at Conference

ALL MEMBERS OF CANADA'S MISSION BUT MR. DRAPER ARE NOW IN PARIS.

Paris, Jan. 16.—Sir Robert Borden, who came to Paris last Saturday accompanied by a portion of his staff, will be joined to-day by his colleagues and other members of the mission in readiness for the formal constitution of the interallied peace conference on Saturday.

Mr. Lloyd Harris and Mr. Frank Jones, of the trade mission, arrived last night after a two weeks' motor trip through Belgium and the devastated areas of France. The Canadian mission will thus be reassembled here at the Hotel Majestic headquarters of the British delegates, with the exception of Mr. Draper, who is remaining in London to attend an important conference on Monday between Mr. Samuel Gompers and the British labor leaders, at which it is expected a decision will be reached to hold allied labor gatherings in Paris while the peace conference is in session.

Overseas Premiers There. The question as to procedure and representation are being determined in readiness for the opening conference. British representatives at these informal gatherings have consulted with the Imperial War Cabinet, which has held meetings in which all the overseas premiers took part, and there have also been meetings of the Dominion prime ministers themselves. There has thus been ample opportunity for the presentation of the views of all parts of the British Empire, and the result is seen in the satisfactory solution of the question of representation of the British dominions in the conference.

The decision to give special representation to the British dominions is accepted graciously by the Paris press, although its effect will be to give the British Empire at the full meeting of the conference 14 delegates. It is pointed out that this enlarged representation means no predominance in actual strength, since the decisions of the conference will be determined not by voting power, but by agreement.

The delegation of 14 will be made up of five from Great Britain and the empire as a whole, two from Canada, Australia, South Africa and India, and one from New Zealand. Newfoundland, will not be presented directly, but will probably have a representative on the British panel. One of the representatives from India will represent the native states.

A Canadian Panel. The four ministers from Canada will constitute in themselves a Canadian panel, from which members will be drawn as occasion requires to represent Canada directly in the conference, as well as a member of the British panel. In this way there will be division of labor and responsibility.

The British committee under the chairmanship of Lord Robert Cecil, preparing the British contribution to the discussion about the league of nations, is holding a series of meetings this week to complete its case. Hon. Mr. Doherty was Canada's representative at the meeting of this committee in London, but in his absence Sir Robert Borden is attending the meetings on behalf of Canada.

The general expectation is that one of the first decisions of the peace conference will be to constitute a committee to examine the various projects as to a league of nations and to report with the least possible delay.

Scout News. The Boy Scouts met at 7.30 p.m. last evening, at St. Andrews Church for their regular meeting, 40 answered the roll call and then the usual work was taken up. Catherine Clemens, daughter of Mr. D.H. Clemens and his wife Lucinda Huber, deceased, was born on June 10, 1886 near Washington, Oxford County, and died at Stow, Mass. on January 13, 1919.

On the 28th of December 1918, she was taken ill with influenza which developed into pneumonia. The best medical service was procured and every care given her,

to which dreaded malady seemed to yield, so that the best of hopes were entertained for her recovery until Friday last, when complications developed, which led to her gradual decline until she passed away Monday Jan. 13, 1919.

She received her early education in the district schools where she lived, and in 1908 came to this city where, through her genial disposition and winsome ways, she made many warm friends.

In 1915 she went to Stow, Mass., where she resided until her death. She leaves a grief-stricken father, step mother, two sisters, Mabel at home and Grace of Port Qu. Appelle, Sask; and five brothers, Rev. Albert of Regina, Sask. James of Boston Mass., Arthur of Winnipeg, Man., Roy and David of Stow, Mass. Her mother pre-deceased her ten years ago, and her young brother, Lieut. W. Ewart Clemens, was killed seven months ago in an accident at Beamsville, Ont., while on duty for his King and Country.

The funeral services were held Thursday afternoon Jan. 13 at the home of her father 251 Frederick St., Kitchener. Interment at Mount Hope Cemetery.

Rev. J.P. Hauch of Kitchener and Rev. S.M. Hauch of Crediton officiated.

Many beautiful floral offerings were received from her friends in Mass., Kitchener and elsewhere.

People Seek Passports
NO RESTRICTIONS TO LEAVE CANADA, BUT UNITED KINGDOM IS STILL STRICT.

Ottawa, Jan. 16.—Civilian travel to Europe has opened in earnest. The department of external affairs is flooded with applications for passports. They are coming in lately at the rate of well over 100 a day and there is an accumulation of about 1,000 with which the officials of the department have been unable to deal. A double staff is working on the correspondence.

Larger offices are being secured, but the applications can be dealt with only in their turn.

The situation in regard to the passports for Europe is rather serious. So far as the Dominion Government is concerned no passport is required for a person wishing to leave the country, but on arrival on the other side the traveler must produce a passport as evidence of his bona fides before he will be permitted to land.

Furthermore, the British Government has notified the authorities here that war regulations in regard to leaving the United Kingdom are still in force. Before any person can leave the United Kingdom permission must be obtained from the foreign office.

Most of the traffic from Canada to Europe is apparently that of soldiers' relatives.

A MOTHER'S STRENGTH

Mother, whose hands rock the cradle, often needs more than ordinary food to help maintain the blood-quality and strength and to assure adequate nourishment to the child. It is as unwise for the mother, as it is dangerous to the child, to place dependence upon alcoholic stimulation, for strength is not found in alcohol.
