Proper Lubrication

For Traction Engines, Wagons, Etc.

Mica Axle Grease

makes the wheel as nearly frictionless as possible and reduces the wear on axle and box. It ends axle troubles, saves energy in the horse, and when used on axles of traction engines economizes fuel and power.

Granite Harvester Oil insures better work from the new machine and lengthens the life of the old. Wherever bearings are loose or boxes worn it takes up the play and acts like a cushion. Changes of weather do not affect it.

Standard Gas Engine Oil is the only oil you need. It provides perfect lubrication under high temperatures without appreciable carbon deposits on rings or cylinders, and is equally good for the external bearings.

Capitol Cylinder Oil delivers more power, and makes the engine run better and longer with less wear and tear, because its friction-reducing properties are exactly fitted to the requirements of steam traction engines and steam plants.

Every dealer everywhere. If not at yours, write for descriptive circulars to

DR. GORDON C. HEWITT, Dominion Entomologist, says, referring to the infantile death rate from intestinal diseases and diarrhoea spread by the house fly, he believes that the so-called harmless fly is yearly causing the death of thousands of infants, as well as spreading the germs of typhoid fever.

WILSON'S Fly Pads

are the only thing that will rid your house of these dangerous pests.

Thorough Spraying With "VANCO" Lead Arsenate

will hold in check the Codling Moths, the potato Bugs and all the other leaf-eating insects that take such heavy tolls on your crops.

"VANCO" Lead Arsenate is sure death to the bugs, and it sticks so well that one spraying will retain its effectiveness far longer than if Paris Green were used.

It is easy to spray thoroughly with "VANCO" Lead Arsenate because it does not settle quickly in the spray tank, does not clog the nozzles, and shows so plainly on the foliage that you can tell when you have covered the whole tree or plant.

Price 10c. to 13c. per lb. according to quantity.

"VANCO" Spray Chemicals are High in Quality and Lowest in price. Made in Canada, by practical men, and offered on their record.
