

# FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped  
By Common Sense  
Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

### BETTER THAN SPANKING.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 86 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

### A Reply to "A Young Sufferer."

Winnipeg, July, 1913.

In reply to your letter in the current issue of The Western Home Monthly. It is a subject of great importance on which you touch, and which can hardly be discussed in such short space. Decidedly, as a man of some experience, I should say your mother was to blame. The greatest error of which a parent can be guilty is of expecting to keep a girl innocent through ignorance. It has been proved, and the result is before us every day, that as soon as the severe restrictions can possibly be evaded, the natural tendency is to fly to the other extreme. It has degenerated from a platitude to a truism that all or nearly all clergymen's sons are notorious for a life the reverse of that for which they were intended. It is human nature. Parents must take into consideration the temperaments of their children; unfortunately parents are generally ignorant of how to treat children, especially in this true of people who have been "buried" in the country and fed on a narrow religion. These restrictions placed on the young can lead only to one thing, deception. It is unnatural to expect "old heads on young shoulders." A youth has a right to expect the pleasure of that age. "Young Sufferer," you have but another year before you can act for yourself; possess what patience you can in the meantime, do nothing that would give people occasion to comment, then, strike out for yourself, first making yourself proficient in something. In the meantime I would suggest that you speak to your parents, remind them that you are not a child, that you have certain rights, and that the rebellion which must necessarily arise from such repression, can but result in adverse action. I, personally, am of that school that believed that the duty between parent and children is reciprocal, that if the parent fails the child is exonerated from evil or faults. When parents bring children into the world their responsibilities are greater than such parents think of. This is a long and great subject, too deep for the average. I can only in finishing say that "Young Sufferer's" parent or parents are to be strongly reprehended, and through ignorance and narrowness are driving this young lady into those deceptions from which in their gross ignorance they are trying to protect her. If you care to write to me do so care of the Editor.

### Vote as You Pray

By F. A. Connors

We've got a class of men to-day, Who go to church and sing and pray, Then go away to scoff and sneer, And vote for whiskey, wine and beer; Yes, vote for whiskey, gin and rum, And then they pray, "Thy kingdom come."

They claim to be of God's adoption, But vote against the "Local Option."

Is there a son from Erin's Isle Who is so wretched, base and vile? Is there a son of Scotland fair, Who'd stoop to such, or even dare? Is there a son of English birth, Or such a soul in all the earth, Who'd dare to bear such fearful blame, Support such infamy and shame.

If such there be, go mark him well, He clears the way to death and hell, For in God's Holy Word 'tis given, "No drunkard shall inherit heaven." May God enable all to see, That such a Christian could not be, But men shall reap just what they sow.

No agency between the poles Has cursed and wrecked more homes and souls;

And yet we have this bar-room den, By vote of so-called Christian men; Such temperance men we have enough, God give us those of nobler stuff, Who will upon election day Vote just exactly as they pray.

Hard and soft corns both yield to Halloway's Corn Cure, which is entirely safe to use, and certain and satisfactory in its action.

Do you know, my friend, that there is a wonderful new way to apply a certain, great, natural FORCE to your body and by which you may, without effort, trouble or inconvenience, treat your own self in the privacy of your home for debility and lost vitality, without using a single drug or medicine? This great FORCE as a restorer of vitality and as a means to overcome those weaknesses which result from

### MANLY MEN ARE THE WORLD'S POWER TO-DAY

undiscoveries and unnatural practices, is to-day being used all over the civilized world, and I give it as my honest opinion, based upon a vast observation and study, that any man anywhere, who leads a decent, manly life and who applies this marvelous FORCE in a scientific and rational way, can without employing a single drug, be restored again to a state of perfect, rugged health and vigor, without a remaining ache, pain or weakness.

As we all know, these various debilitating weaknesses handicap a man in every condition of life, while, on the other hand, a perfect specimen of vigorous, robust, lusty manhood is ever admired by both women and men alike, while, of course, it is certainly only such a man who can attain the really great successes of life. Therefore, I say to you, no matter what your size, whether you are small or large, no matter what your occupation, no matter whether you are a college graduate or working on the farm or in the factory, no matter whether you are young or elderly, it is all a question of your vigor and your vitality, and if I can give you a good, abundant supply of this same great power of VITAL FORCE, then it is easy to believe that I can completely restore your vigorous health, can overcome the evil effects of past indiscretions, so you will be exactly the same in your influence over people, exactly the same in your manly bearing as other manly, strong-nerved, warm-blooded fellows of your acquaintance.

With an idea of attaining all this for you, I recommend you to investigate a simple little VITALIZING APPLIANCE of my invention, which I am now sending out in great numbers for use by men everywhere who need new manly strength. This little VITALIZER is very light, weighing only several ounces, and can be worn without any one suspecting that you are wearing it. You buckle it on your body upon going to bed and take it off mornings. Thus, while you sleep it sends its wonderful power which I call VITALITY or VITAL FORCE, into your blood, nerve and organs. Users say it takes pain and weakness out of the back upon one application, and further say 60 to 90 days' time is sufficient to restore a state of health, strength and vigor. I am not offering this VITALIZER here for sale, but want you to first send for my book that you may learn all about the whole wonderful subject, and why I get such quantities of testimonials from users everywhere telling of results after drugs completely and utterly fail.

NOTE—With special attachments my VITALIZER is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, nervousness and general ill-health. Please write for book to-day, or, if near by, I should like you to call. Hours—9 to 6, Sundays excepted.
