

may be worn with the waist. The material chosen for making the present model was one of the new printed batistes, though silk or any soft material might be substituted. For the medium size $2\frac{1}{4}$ yards 36 inches wide are needed.

The price of this pattern is 15 cents.

6051-6079—A Novelty in the Popular Overblouse Style.

The overblouse has so caught the popular fancy that it bids fair to remain in favor for some time to come; hence new variations are being constantly evolved by the foremost design-

ers. The gown shown is modeled in chiffon broadcloth of the rich pansy shade, and is worn over a guimpe or under-blouse, the pattern of which is not given. The pointed bertha collar, mandarin sleeve-band and the girdle are alike composed of messaline silk, and a dainty trimming of soutache is seen both on the waist and the skirt. The latter is of the new circular shaping, and may be made with or without a centre-front seam. The closing is effected in the left side-seam, beneath the applied strap. The skirt may be made in medium sweep or round length, and it is suggested that the trimming-band be omitted in the shorter development, its tendency being to abbreviate the lines of the figure. Any of the modish silks might be successfully used for developing this stylish costume. $1\frac{1}{2}$ yards 44 inches wide being needed for the waist and $4\frac{1}{4}$ yards of the same width for the skirt (including the trimming band) in the medium size.

Two Patterns: 6051—6 sizes 32 to 42 inches bust measure. 6079—7 sizes, 20 to 32 inches waist.

The price of these patterns is 30 cents, but either will be sent upon the receipt of 15 cents.

6022—A New Dress Sleeve.

The graceful sleeve model here shown will strongly appeal to the woman who wishes to remodel a last season's gown, for it is one of the most popular of the new designs, and embraces all of the most attractive features of both the long and the short sleeve.

6022—Sizes, 10, 11, 12, 13, 14, inches. The price of this pattern is 15 cents.

TAKE CARE OF YOUR SKIN.

All women, without giving too much attention to their personal appearance, value a nice skin.

Baby's Own Soap is unequalled for its beneficial effects on the skin.

Let me send you the proof of the big money you can make raising chickens with a Chatham Incubator

I HAVE the proof from all parts of Canada and the United States, which shows emphatically that the Chatham Incubator is making good profits for its users.

Some people who "just kept" hens as a side issue are now making big money raising poultry with a Chatham Incubator.

Others who were raising poultry with other makes are now making bigger profits with a Chatham Incubator.

You know it doesn't do to put all your eggs in one basket. The year comes along when crops are not so good. The farm doesn't pay as much as it should. Then don't you think you will appreciate the sure and certain profit that you get from poultry raising with a Chatham Incubator?

Better still; the price I can sell you a Chatham Incubator for and the terms I can sell it on, mean that you will be making a profit out of it before you have paid me one cent.

I practically start you in a profitable poultry business—which really only takes a small part of your time, or your wife's or daughter's—and it doesn't cost you one cent until you are making a profit out of it.

Now, I want you to write me to-day—a post card will do. Then I will send you my 1908 Booklet, which tells all about the Chatham Incubator, how it is made—the five-year guarantee we sell it on. How strong and successful a company is back of this

guarantee. It tells all this and also of the way the Chatham Incubator works, how it has made money for others, how it can make money for you.

Write me to-day and let me send you all this information about poultry raising, and I will also give you my special price and special easy-payment plan.

To save time address my nearest office—do it now while you think of it.
