

## Kenniff Denies Conflict

OTTAWA (CUP) — Patrick Kenniff, president of the Canadian Union of Students, has been appointed to a position with the International Student Conference.

He was named Nov. 6 to the Research and Information

Commission of the ISC, which presents reports to the ISC on various trouble spots around the world.

The last CUS congress mandated the executive to investigate the ISC's viability and reconsider the role of CUS as a member of the ISC.

Kenniff denied that there was any conflict of interest involved in his new post, pointed out that the CUS congress decided to maintain full co-operation with ISC while reconsidering its participation in the international body.

## Stevenson Saw Light — Runs Red'n'Black

Producer-Director, Phil Stevenson, was born in Wilmington, Delaware, and later moved to Toronto where he attended Lawrence Park Collegiate.

He started in engineering at UNB in 1962, and left the slide rule set two years later

after "seeing the light." He is a fourth year Economics major.

In addition to being Assistant-Director for the 1964 production, Phil has also been active in many of the Drama Society productions

## Business Urged

Business firms throughout Fredericton are being urged to support the University of New Brunswick's \$10 million development program.

"Every dollar is important," said R. E. Tweeddale, Fredericton chairman of the campaign for capital support, "and brings tangible and substantial benefits to our city." He pointed out that UNB injects nearly \$8,000,000 into the Fredericton economy each year, in the form of salaries, spending by students, faculty and staff, and the purchase of supplies and equipment, as well as in capital spending for new buildings.

"By giving their support to UNB's campaign," said Mr. Tweeddale, "Fredericton companies and individuals are investing in their own present and future prosperity."

Individuals as well as business firms are being canvassed at this time. An appeal is under way among non-alumni "special names," under the chairmanship of J. Gerald Lockhart.

UNB's development program total now stands at \$4,548,000. The program extends over five years. Fredericton business firms have contributed nearly \$210,000 to date, and city alumni have given \$47,000. They lead alumni across Canada in total gifts and also in average gift amount.
