

# Old Shirts defeat the new

By Sean Dockrill

A crowd of approximately 40 people assembled to witness the annual Alumni Soccer match last Saturday, and they were certainly entertained. The "old timers" proved victorious over the young, incomplete line-up of White Shirts, who were really our very own Red Shirts in cognito. The final score was 3-1 for the Alumni team. Not even the prowess of Jamie Oaks, a five year veteran, could stop the unrelentless attacks of team Alumni. Coach Brown feels Oaks is his most solid defender and says, "He should make the pros next year."

Oaks and his squad of defenders could only hold off the tigers until the third quarter of the first half. At that time the dynamic David Stringer of the Alumni team received a brilliant pass just inside the eighteen yard box and whistled a shot passed Red Shirt goal tender Jean LeBlanc.

Early in the second half the Alumni team struck again. Jimmy Kakaletis scored on a brilliant header. This gave the Alumni team a commanding 2-0 lead. However, our spirited Shirts remained undaunted and retaliated with Kevin Thompson. He greased a free kick passed Alumni goal tender George Lucas. Once again this kickstarted the Red Shirts hopes of victory.

However, Thompson's efforts were in vain. Ten minutes later the deadly Dwight Hornbrook skipped a shot passed backup keeper Paul O'Sullivan. This finished the scoring for the game and left team Alumni standing proud 3-1.

Oh, Daddyoh!

David Stringer, more affectionately known as Daddyoh, was certainly a large factor for team Alumni's success. Scoring goals seems to be Stringer's natural talent, and it was no surprise when he pumped in the first goal. It was exactly ten years ago when Stringer's roles were reversed. Daddyoh scored the deciding goal in overtime in the 1980 AUAA championships. This catapulted the Shirts into the 1980 CIAU championships. UNB took the gold at the 1980 CIAU Championship, much to the credit of Daddyoh.

Stringers desire to play soccer is probably just as strong as his incredible talent. It was only a few short months ago that Daddyoh crushed his ankles in a car accident in Saudi Arabia. Even though he is not yet fully recovered, Stringer was a force to be reckoned with.

With players like Daddyoh, Dwayne Hornbrook, and Steve Harris it was no wonder that the shorts lost last Saturday's high-spirited game. Despite the talent of the squad on Saturday, key members of the Shirts were absent. Jamie Pollock, this year's captain, is presently playing soccer for the Winnipeg Flurries along side of last year's captain, Stewart Galloway. Pollock, who Coach Brown states, "is the most brilliant right winger in the league, and the only right winger able to make a difference in a game," will return as soon as the CSL playoffs are finished.

Trevor Shaw, a new recruit, will be another key player to watch. Shaw was the starting

goal tender for the 1989 Nova Scotia Canada games team. Pat Zwicker returns to the team this year after sustaining a back injury late last year. Zwicker was involved in an accident that broke his back and left him out of the 1989-90 wrestling season. The four year veteran is undoubtedly the fastest man on the team. He faces the serious challenge of overcoming these ailments and

attempt to maintain the intensity that has served as the trademark of his style.

This weekend the Red Shirts will be hard pressed to win even with the additions to the line-up. They face the ever strong St. Mary's Huskies on Saturday at 2:00 pm and the same time against St. FX on Sunday. Both games are played at Chapman field. The Shirts look to avenge

their loss of 4-0 in the finals of the AUAA's to St. Mary's. They will no doubt give it their best, and with the legacy of Daddyoh behind them you could expect no less.

## Varsity Mania returns

Varsity Mania  
Press Release

As students pile into UNB for another year, they will realize that the institution Varsity Mania still exists. This year Varsity Mania has big plans for the 1990-91 season.

For those new to the university, there may be questions as to what Varsity Mania stands for. Varsity Mania began three years under the direction of past Student Union Vice President, Carl Burgess. Carl started out small, combining support from the

Student Union, athletic department, and various corporate sponsors. Over the three years, Carl watched Varsity Mania grow. For the past two years Varsity Mania has become widely known around campus.

This year the reins are turned over to Steven Williams. When asked to describe Varsity Mania, Williams replied, "It is basically a student run vehicle for promoting Varsity sports at UNB. At the same time it allows students to get involved in something at UNB. We rely

heavily on student support at the games." Varsity Mania is counting on making an impact on campus again this year.

On Sunday, September 9th, the first Varsity Mania event kicks in. The UNB Red Shirts take to the field against St. FX. Game time is set for 2:00 pm at Chapman Field. Chapman Field is located just in front of the Aitken Center. All proceeds from the game will go to Shinerama.

## Fall Schedule 1990-91 begins

By Kelly Craig

As students start to bombard the campus preparing for another academic year, the athletes here at UNB have already begun preparing for the 1990-91 season. Of the ten varsity teams at UNB, two of them are co-ed. Therefore, UNB has a total of twelve teams. Last season five of these twelve teams brought the AUAA title home to UNB.

The Red Shirts soccer team and the Red Sticks field hockey team start their seasons in just a few short days. The Red Harriers cross country team starts up their season fairly soon. The men look to defend their AUAA title this year against a strong Dalhousie squad.

Basketball comes upon us shortly as does the hockey season. The Red Bloomers defend their AUAA title this year against some strong competition. The Red Raiders, who improved immensely last season, look to be even stronger this season. The playoffs are definitely within their grasp.

The Red Devils hockey team made a strong comeback last season as they proved nothing is impossible. With a new head coach and a new outlook, the Devils made it to the playoffs but this year could be the year for the title.

Volleyball competition was very tough last year, however, that did not stop the Reds men's team. They made

an impressive second place finish losing to a strong Dalhousie team in the final. The Lady Reds made a valiant effort last year and finished a respectable fifth just missing the playoffs.

No shock to the UNB campus was the Black Bears wrestling team copping the AUAA title. Although the title is now being shared with Mt. Allison, it is a questionable joint victory. A new twist to the Bears this year is the return of Don Ryan as assistant coach of the team. Ryan, whose five years eligibility expired last season, was an AUAA champion in his weight class. The Bears are looking for tough competition and the AUAA title-solo.

Each year the Brunswickan looks for new faces to help with the paper. This year is no different. The Sports Department needs interested people to continue the coverage of the varsity teams. Covering a team could mean away trips, going to the games, and talking to both the players and the coaches.

If you are at all interested in writing for the Sports Dept., please contact Kelly Craig or Frank Denis at 453-4983 or come in and visit us in room 35 in the SUB. On behalf of Frank and myself, we welcome all freshmen to UNB and welcome all returning upper classmen. Good luck and have an interesting year.
