A. G. Chisholm K.C.

London.

Sir:

Since writing you last there has been some doings here. Mr. J.B. Kewakeshig is still on the move. He had sent some forms here to David Sims who then went round to every body to sign the said Forms in order that they employ Kappler & Merillat & do away with your services. But, he never came near me, nor the Committee. So I do not know what more that they are going to do.

I have not heard from the President M. Sandy. I really do not know what he is doing. Mr. James King of Christian Island is dead. But I am well as ever.

Yours truly,

sd. J. W. Keeshig.
