	12/Sept/45		<p>No flying all day.</p> <p>The Miniature Rifle Club is being re-organized for the Winter of 1945 to 1946 with Squadron Leader Henderson as President. During the past winters this Club proved to be very popular and it is hoped this Winter should prove as successful as in the past.</p>	
	13/Sept/45		<p>No flying all day.</p> <p>Group Captain Harvey <u>AFG</u>, held a general inspection of all Barrack Blocks and buildings to-day. There was no weekly parade and inspection this week.</p> <p>The Command Championships in Track and Field and Tennis was held at Trenton to-day. Owing to recent postings and discharges, the teams from this Unit were not as strong as they might have been a few weeks ago as only two of the men's track team and two members of the W.D. team were available. However, despite the limited number of entries, Camp Borden made a very good showing. P/O Valliere won the broad jump and lost the 100 Yard final by a step. A new record was made for the 100 yard dash. LAC Cooney placed second in the pole vault against competitors from many stations in the Command. Cpl. Lando is the new Command Singles Champion in tennis.</p> <p>The W.D. Entries, LAW Merrall, and LAW Crampton were rather down on their luck in their events. LAW Merrall placed in her heat in the 75 yd. dash but was beaten out in the semi-final heat. Competition in the broad jump and high jump was keen; although the girls failed to place in these events, they put up a very good show.</p>	
	14/Sept/45		<p>No Flying all day.</p> <p>The Educational Officer on this Unit is proposing to form classes in Physics, Chemistry, and Mathematics, to be held on this Station.
