Rt. Hon. Arthur Meighen,
Portage-la-Prairie,
MANITOBA, Canada.

Dear Mr. Meighen:

I have your letter dated July the
27th and note your remarks.

I have absolutely nothing against
you, but I personally think that under present con-
ditions it would be unwise to send anyone from Ontario
into any of the Maritimes, as there is no doubt in my
mind, that the next Federal will be run largely on
Maritime Rights.

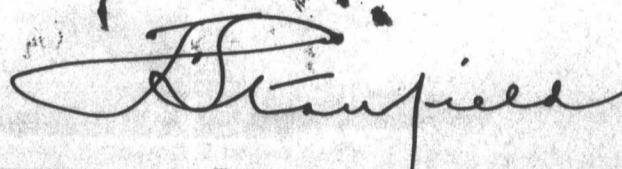

Frankly, I am very much disappointed
in Mr. Rhodes. He has had no Executive training, and
it is just possible that you are fortunate in being rid
of him.

My present plans are to be in Toronto
the last of August or the first three days of September.

There is nothing that I want except
to be left alone. For twenty-five years I have been
more or less in Politics and I am tired of the game,
for there is absolutely nothing in it for me, either
directly or indirectly, except abuse. Now that the
Province has been won it should be an easy matter for
others to carry on.

Wishing you every success in the
West, and with kind regards, I remain

Yours very truly,

FS/MJ.
