~~Miss Horne~~

Mr. Warwick Chipman, the Canadian Ambassador to the Argentine, is at present in Ottawa and asked me today whether there would be any possibility of having a moment or two in which to pay his respects to you. He has nothing in particular that he would need to discuss but simply wishes to pay his regards.

I told Mr. Chipman of the extreme pressure of affairs at the moment and I think he will quite understand if you do not find it possible to arrange an appointment.
