

SUPPLEMENT (1918)

McCaul on "Remedies of Vendors and Purchasers"
(SECOND EDITION: 1915)

Since the second edition of this book was issued in January, 1915, there have been a number of important decisions, especially of the Judicial Committee, that make it advisable that some supplementary notes should be published to bring the book up to date.

At the same time I have taken advantage of the opportunity to correct a few typographical errors and to add some additional references. The page where the subject matter of these notes is dealt with in the body of the book, is indicated in the margin of the supplementary chapter.

I have also, by permission of "The Canadian Law Times," re-printed my article on "Options."

The pagination of this supplement is continued on consecutively from page 222 of the 1915 edition, and I have added a supplementary index, and table of cases.

I have to thank Mr. A. R. Beleher, Student-at-Law, for preparing the index and table of cases.
