

We Know Whereof We Speak

Good Mottoes are splendid character-builders, as they constantly hold up—before the eye—a high ideal to aim at. They are silent, insistent teachers.

The new "**National Line**," Wall Mottoes, with their splendid scripture texts are a great advance on anything previously produced. They are "**something different**," and the **finest we have ever seen**. Reproduced by the new Equarella Process, the combinations of designs and rich colorings make these mottoes unexcelled for decorative purposes, or as Sunday School Rewards.
