THIS OFFER

Is Made to Boys Who are energetic and anxious to get something of their own

What I want to say to boys of that class is just this, we are offering you a pure-bred pig, either boar or sow, of any of the popular breeds (you can have the breed you like best) for nothing but a little of your spare time.

We know you want to get a start, and we know you want to do that independently, but perhaps you have not got the money to buy a pig.

Then this is your opportunity. We have given away within the last year over two hundred pure-bred pigs. Most of these have gone to boys who have made considerable money from them, since they got them.

MARKET REVIEW AND FORECAST

Toronto, Monday, March 30.—There is little to be said of trade conditions. Most people here believe business institutes would give a better picture of the situation. The trade is less talked of than increasing orders. The opinion of wholesale dealers, however, seems to be that while trade is improving prospects are bright for any year records this season. Money flows steadily at six per cent on call, gilt-edged securities are at six and one-half to seven per cent.

On the farmers' market the most noticeable change is in eggs, which have come down with altogether unexpected rapidity. Fowl on the other hand are up. The grain market is quiet, in cattle the tendency is to lower levels.

Government statistics place the average yield of fall wheat in the United States at 3,600,000 acres as compared with a little over 3,600,000 last year. The wheat is in the best condition on record at this time of year, and all conditions point to a bumper crop. Seeding is about to commence in the Canadian West with conditions good. Last year's crop is quoted at the figures noted last week: No. 1 Northern, 90c; No. 2, 87c; western wheat, 90c to 91c.

COGNATE GRAINS Oats are in moderate demand for local delivery, but there is little being quoted for export. Old Country offers not being above cost. Quotations are as follows: C.W. No. 1, 2.40c; No. 2, 2.35c; Ontario oats, 30c to 80c; American corn, 74c to 76c; Ontario corn, 70c to 72c; milting dairy, 58c to 60c; buckwheat, 54c to 56c; bushwheat, 75c to 76c; peas, 90c to 95c. Quotations at Montreal now are: C.W. No. 2, 4.40c to 4.45c; No. 3, 4.35c; corn, 70c to 72c; barley, milting, 65c to 70c; feed, 65c to 68c; buckwheat, 75c to 78c; peas, \$1.75 to \$1.85; rye, 70c to 72c; feed wheat, 70c to 72c.

MILL FEEDS Some feeders complain that bran is not so plentiful as last year. The local dealers is keen and quotations higher. Bran, \$24 to \$25; shorts, \$25 to \$26; midlings, \$27 to \$28; shorts, \$28 to \$29. Montreal dealers ask for bran, \$23; shorts, \$25; midlings, \$27 to \$28. HAY AND STRAW Receipts of hay from country points are coming in liberally than the market can accommodate. Quotations are still easy as the receipts are not so large. The following quotations are: Choice No. 1 baled, \$14 to \$15.50; No. 2, \$13 to \$14.50; No. 3, \$12 to \$13.50; baled straw, \$13.50. Conditions at Montreal are similar. No. 1, \$15 to \$15.50; No. 2, \$12 to \$13.

POTATOES AND BEANS Potatoes have eased off five cents a bag during the week. Ontario potatoes are now quoted 55c in car lots and New Brunswick, 50c. At Montreal too there is a tendency to weakness, with Green Mountains at 85c and local potatoes at 75c.

Bean quotations are: Primes, \$2.20 to \$2.25; hand-picked, \$2.30 to \$2.35. At Montreal dealers quote hand-picked \$2.19, three-pund pickers, \$1.90.

HONEY Wholesale quotations are: Buckwheat, in tin, 75c; blue, 7c; clover, 60c; blue, tin, 11c to 11 1/2c; 10 lb. tin, 12c; fresh tins, 12 1/2c; comb honey, 15c; cream, \$3.85. No. 2, \$2.45.

EGGS Wholesale seed merchants are selling to the trade per set as follows: Red clover, No. 1, \$1.15 and \$1.21; No. 2, \$1.07 to \$1.10; No. 3, \$1.02 to \$1.05; No. 4, \$0.97 to \$1.00; No. 5, \$0.92 to \$0.95; No. 6, \$0.87 to \$0.90; No. 7, \$0.82 to \$0.85; No. 8, \$0.77 to \$0.80; No. 9, \$0.72 to \$0.75; No. 10, \$0.67 to \$0.70; No. 11, \$0.62 to \$0.65; No. 12, \$0.57 to \$0.60; No. 13, \$0.52 to \$0.55;
